NEWSLETTER NUMBER 35

Dear Friends and Shockey Cousins,

Another year has gone and it has been very eventful---not all good. We have elected a new President, the economy is a total mess, there have been floods, fires, mud-slides, tornados, hurricanes and ice storms. Gas is cheaper; at least temporarily. The only thing we can do is look around and take notice of the many things we have to be thankful for.

Thank you all for the contributions toward the newsletter and for the cards, letters and phone calls during the past year. I received very few news items this year so keep that in mind and send me stories to share with everyone.

It is time to make plans for the **2009 Shockey Reunion**. It will be held in Colorado Springs, Colorado on July 2nd through 5th. Most leave for home on Monday the 6th, but you can stay longer if you wish.

I have reserved rooms at the **Hampton Inn Suites, 2910 Geyser Drive**. A map will be included. The room rates are: 2 queen beds, \$107.10, 1 King, \$116.10 and King suites are \$125.10. David personally checked the motels in the area to find one that would meet our requirements. He gave me all of the information and I called them and asked all sorts of questions before I made a final decision. There was very little difference in the cost of any of them. They offer free continental breakfast, indoor pool, hot tub, a nice meeting room and free coffee in the breakfast area. We can have our Sunday lunch there, also. **The number to call for reservations is: 1-719-884-0330** and be sure to specify **Shockey Family Reunion**. Reservations must be made by June 2nd.

I wanted to have the Sunday lunch catered, but I couldn't get it at a reasonable price so we have decided that we can do it ourselves for \$10.00 to \$12.00 per person. The motel will allow us to do this, none of the others would. I will need to know how many to plan for.

There are lots of wonderful things to do and see while we are there. The Flying W Ranch Dinner and Show seems to be the first choice with all that I have talked to, so I have made reservations for us on Saturday. They open at 3:00, dinner is at 5:00 or 5:30 and the show is over at 7:30. That gives us plenty of time to get back to the conference room to visit the rest of the evening. The cost is \$22.00 regular admission, \$20.00 for seniors and service personnel and \$12.00 for children under 12.

Another great attraction is **The Garden of the Gods Visitor and Nature Center**. They have free bus tours, free exhibits and a café and gift shops. Then there is the **Money Museum, The Air Force Academy and the Manitou Cliff Dwellings**. All sound real interesting to me. Most of these are about a 20 minute drive from the motel. Then there is **Cripple Creek**. That is a bit farther away, but you may want to visit there since it has some Shockey history. W. L. Shockey was a very prominent citizen. He owned the

drug store from 1896 to 1907 and was mayor in 1903. I think he came from Illinois. He had fifteen years of pharmaceutical experience in Pueblo, Colorado. I don't know where he went when he left Cripple Creek. He was quite a handsome gentleman.

I have left a lot of free time for you. The only **things that I have scheduled is the Flying W Ranch on Saturday and lunch and General Meeting on Sunday** about noon. The Officers and Directors do have to find time for a business meeting sometime Saturday. The rest of the time can be spent on genealogy or anything you want to do.

You don't need to pay ahead for the Flying W Ranch or Sunday lunch, but I do have to have a count. You can call me, write or e-mail me. Phone: 304-258-5616 or e-mail mshockey1@earthlink.net My address is on the front of the newsletter. I am doing all of this by phone, so I need your cooperation. I have to know how many I have to have food for on Sunday and the Flying W Ranch has to know how many will be there for dinner.

If you plan to drive, there is a map included, if you fly, it is cheaper to fly to Denver, rent a car and drive to Colorado Springs. That is about an hour drive. I don't have information on RV Parks, but I would suggest that you reserve your space early.

The 2008 Reunion was held in Winchester and Shockeyville, Virginia. There were 43 attending; a small turn-out due mostly to gas prices. Some did have to cancel due to health problems at home. We had a really wonderful time as we had a good many folks who had never been here before. It was such a pleasure to finally meet them and take them to see the places where their ancestors had lived, worked and worshipped. Les took them on a guided tour of the Maryland/Pennsylvania area where their first ancestor in America settled. I think what they enjoyed most was the Sunday worship service at Shockeyville Church. One lady taped the service and her husband told me that she had played the tape eight times in the week after they got home. The nice comments that I heard were: "I wish we had your minister at our church," and "This is what a Sunday service should be like," and "Our minister could use a few lessons from Isaac." After the service we had lunch served by one of my sons, a grandson and his girl friend. The General Meeting followed and some took a group picture before we left.

The first-time visitors were David and Dorothy Shockey from Alaska, Randy and Sue Shockey from New York, Bill and Generva Erickson from Vancouver, Washington, Gale and Glenda Wing from Michigan, Stephen and Nancy Shockey from Arizona, John and Melissa Shockey from Ohio, Landon Shockey from Wilkes Barre, Pennsylvania and Aric J. Shockey from Ohio. Sadly, Generva Erickson passed away a month or so after the reunion. It was hard to believe that a person so full of pep, energy and enthusiasm could be gone so soon.

We had folks attending from 11 states. Those attending were:
Lesley and Naomi Shockey, Sandyville, WV,
David and Donna Shockey, Rineyville, Ky.
Gale and Glenda Wing, Palo, Michigan

Ralph Shockey, Hagerstown, Md.
Stephen and Nancy Shockey, Glendale, AZ
Marie Shockey, Berkeley Springs, WV
Glen and Virginia Shockey, Greencastle, Pa.
Bill and Generva Erickson, Vancouver, WA.
Aric J. Shockey, Marion, Ohio
David L. Shockey, Hot Springs, AR
Barbara and Shawn Cate, Hot Springs, AR
Landon Shockey Wilkes Barre, PA
Brian Shockey, Gaithersburg, MD
Amy Koontz
Neil and Edna Shockeym Mabie, WV
Randy and Susan Shockey, Cicero, NY
Ed and Gayleen Austen, Ithica, NY
Jim and Helen Lambert, Belpre, Ohio
Gene Shockey, Ravenswood, WV
David and Dorothy Shockey, Nenana, AK
John and Betty Shockey, Lonsdale, AR
John D. Shockey, Ohio
Mr & Mrs John A. Shockey, Troy, Ohio
Rev. Isaac and Diane Luttrell, Gore, VA
Scott Luttrell, Stephenson, VA
Ronald Obrien, Berryville, Va

There were at least three others attending that did not sign in and I can't remember who they were. I think two of them were Neal and Edna Shockey's daughters. The weather was pleasant on Sunday. I think it had rained some on Friday and Saturday, but we had nothing scheduled to do outside those days. Some of the folks went to Washigton, DC, but they said that the rain did not spoil their day. They had to be brave to deal with the traffic in Washington on the 4th of July. That place is a nightmare at best. All said they had a great time.

We are in real need of donations for the newsletter. Many of the regular contributors have passed away during the last few years. I realize the financial problems people are facing right now, but no amount is too small and it is greatly appreciated. We do not do subscriptions and there is no set charge. The purpose of the newsletter is to provide you with genealogical information, gain information for our data base, keep you informed of Shockey news and keep the families connected. The reunions are icing on the cake. The cost of the newsletter last year was \$2,884.92. Direct donations totaled \$1,507.50. I was out of pocket \$1,404.92 until after the reunion when I was reimbursed from the treasury. The treasury receives money for dues and the sale of t-shirts at the reunion and out of that they have to pay taxes, what is due on the newsletter and various expenses that come up for the reunions. Nobody makes any money. Your genealogy information is free. All we do is make expenses. You have no clue how many hours we volunteer to provide all of the above. Les don't even go to the hospital without taking his computer, Naomi had to bring it to him. David, Donna, Les and I do this and I guess it is a work of love.

MINUTES OF THE GENERAL MEETING, SHOCKEYSVILLE, VA
SUNDAY, JULY 6, 2008 **12:30 pm.**

Board Members Present

David F. Shockey, President (Kentucky)
Donna P. Shockey, Secretary (Kentucky)
Marie F. Shockey, Director, Newsletter Editor, Genealogist (West Virginia)
Lesley "Les" Shockey, Director, Assistant Newsletter Editor, Computer Genealogist (West Virginia)
David L. Shockey, Director (Arkansas)
Ralph N. Shockey, Jr., Director (Maryland)
John Lewis Shockey, Director (Arkansas)
Scott Luttrell, Director (Virginia)

Inactive Board Member Present: John D. Shockey, Inactive Director (Ohio)

Board Members Absent

Donna J. Porter, Treasurer (Colorado)
James "Bud" Roseberry, Director, Computer Genealogist (Idaho)
Gerald Shockey, Vice President, Computer Genealogist (Texas)
Howard Shockey, Chaplain, Director (Illinois)
William "Bill" Shockey, Director (Maryland)

1. David F. Shockey opened the meeting and greeted everyone in attendance.
2. David L. Shockey led the opening prayer.
3. The Pledge of Allegiance was recited by everyone. The group stood quietly for the ringing of Aunt Maggie's bell.
4. David L. Shockey read the memoriam for the Shockey cousins who had passed on during the year.
5. David F. Shockey introduced the board members who were present. The attendees also introduced themselves and told where they traveled from. Folks in attendance were from West Virginia, Virginia, Pennsylvania, Arkansas, Arizona, New York, Washington, Florida, Alaska, Ohio, and Kentucky.
6. Donna P. Shockey read the minutes of the 2007 General Meeting. Motion was made, seconded, and approved to accept the minutes as read.
7. Treasury Report. Marie F. Shockey presented the Treasury Report in the absence of the Treasurer. The ending balance as of June 30, 2008 was \$2,726.22 (copy attached). Motion was made, seconded, and approved to accept the Treasurer's Report.
8. Newsletter Report. Marie F. Shockey presented the Newsletter Report (copy attached). 1500 newsletters were printed, 1217 newsletters plus 13 to Canada were mailed out, and 18 were mailed at the regular postal rate. 55 newsletters were returned. Total cost for the newsletters was \$2,884.92; donations received were \$1,507.50. The amount due to Marie for out of pocket expenses is \$1,404.92. Motion was made, seconded, and approved to accept the Newsletter Report and to reimburse Marie \$1,404.92.

Marie reminded folks to send her any changes of addresses and to let her know if a newsletter needs to be stopped due to a death. She would also like to have names of those cousins who would like to receive the newsletter. Any newspaper articles or other information can be sent to Marie or Les as this is the main method of keeping up with relatives. All donations are greatly appreciated and are needed to continue with publishing and mailing out the newsletter.

9. Genealogy Report: Les Shockey said there were approximately 110 – 120 members on the e-mail group. Over 900 new family members were added to the data base this past year and he received several photographs and corrections to names. The data base continues to grow; however, it is not yet on-line. One reason is that there were policy changes on the Roots Web account. He was not comfortable uploading information on to the data base if it did not provide the security of being removed and sold by others for a profit. He has moved all his genealogy off the Roots Web.

The Shockey DNA project is now in the works. Ten people ordered the test. Two of the tests are totally complete, two others were not in the Shockey DNA, five are still in the process of being tested, and one DNA seems to be standard for all of them. He hopes to get at least two descendents from each of the sons (Abraham, John, Christopher, Valentine, Isaac) and also from Samuel Christian by his second wife. To receive the best DNA testing, one should have the 67 marker test done (\$269.00 + shipping). Les will be glad to answer questions and share information on the DNA testing.

This is the first year that a descendent of Samuel attended the reunion – from Michigan.

Bud Roseberry, Genealogist, lost his computer and will rebuild the data base that he lost. Motion was made, seconded, and approved to accept the Genealogy Report.

10. Shockeysville Church Report: Scott Luttrell presented the report and stated that the church is financially sound. Work is currently being done on the bell tower. Painting and some repair jobs will be done in the shelter area. Shockey Construction, Virginia, donated \$5,000.00 to the Shockey and Luttrell Memorial Fund. Shockey Construction has donated over \$14,000.00 to the fund since it first started. There is currently a total of \$24,000.00 in the fund. This will be used in the future to pay the minister and do repairs, mow grass, etc., when Scott is physically unable to do these jobs.

If anyone would like to donate, checks can be made to the Shockey Luttrell Memorial Fund.

Discussed the church becoming independent of the mother church. Eleven churches have left the mother church. An 1867 Virginia law states that if a church wanted to leave their parent organization, that organization could not take any of the church's funds. Scott will work with a lawyer in declaring Shockeysville Church a non-profit.

The new name for the Shockeysville Church will be Shockeysville Bible Church. Scott will put four deeds in trusts.

It was suggested that part of the trusts be in the name of Shockey Fellowship Reunion. This would insure the trusts would go to the Shockey Family Memorial Fellowship in the event Scott is unable to continue with this work. Scott will discuss this with David F. Shockey (President) and the Board to see if this should be handled this way.

Motion was made, seconded, and approved to accept the Church Report.

11. Old Business: None

12. New Business:

*The reunion for next year will be in Colorado Springs, Colorado, July 2-5, 2009.

*Suggested the Board Member's e-mail addresses be listed in the newsletter.

*The group was invited to attend a family reunion in Washington state in 2010.

Meeting adjourned at 1:30 p.m.

Respectfully submitted,

Donna P. Shockey
Secretary

**Greetings from the President
March 2009**

I look forward to this year's family reunion in Colorado Springs, Colorado. If you have never been to Colorado, I would encourage you to come and join us. Colorado is a beautiful state and offers many interesting activities. Also, I can assure you that our genealogists will provide you with valuable information on your Shockey ancestry.

This past year has been an unusual one to say the least. I hope that our unstable economy has not affected you in too negative of a way. In January, we were hit hard by a very bad ice storm that made its way up through the western part of Kentucky. We lost many trees and have spent countless hours cleaning up.

Several Shockey descendants participated in the DNA testing this past year and it has proved to be very beneficial in the Shockey history. It is amazing how we can trace our ancestors with such accuracy. We appreciate Les Shockey's efforts in taking the lead on this project.

I would like to express my appreciation for your contributions toward the Newsletter expenses. We all look forward to receiving the Newsletter as this is one way we can all stay connected. As you know, these contributions are necessary to continue the printing and mailing. It is also important that we continue to support the membership by paying the annual membership dues of \$5.00 per person.

I hope to see you at the reunion in Colorado. We always welcome folks attending for the first time and look forward to visiting with families who attend from year to year.

Have safe travels and my very best wishes to all.

SHOCKEYSVILLE CHURCH REPORT, SCOTT LUTTRELL, Treasurer

Greetings to the Shockeys,

Shockeysville Bible Church is holding it's own during this economic downturn. We have managed to help some groups through this period.

Our members gave \$300.00 to an orphanage in Bolivia. The effort spurred others, a college group of young people and relatives of our member, June Shifflett. The amount grew to more than \$2,000.00.

In October we raised over \$1,500,00 for the Gideons International to purchase and distribute Bibles.

In November we supported Operation Christmas Child (Samaritan's Purse) filling nine shoe boxes with needed items for children.

We have several small fix-up and repair jobs to do on and around the church when warm weather comes. We will be installing a walkway from the gravel parking area up to the church. We have been blessed with an average of sixteen people attending during the bad weather. We have had to miss four or five Sundays due to snow or ice.

THE SHOCKEY AND LUTTRELL MEMORIAL FUND established for the upkeep of the church has grown to over \$30,000.00 due to the generous gifts of Ralph Shockey and J. Donald Shockey of Shockey Construction Company of Winchester, Virginia

I know times are bad, but we need to support each other and those around us who are in need the best that we can. Have a very wonderful reunion in 2009 and beyond. God bless you all.

Scott Luttrell, Church Treasurer and State Representative for the Shockey Family Memorial Fellowship.

NOTE:

The orphanage that we collected funds for has 30 or more children who have no parents or relatives to care for them. Their diet consists of bread and milk for breakfast, soup for lunch and milk and crackers for supper. The preacher at a small church nearby, offered to use the money to buy food to supplement their diet such as an egg for breakfast, a hamburger patty for lunch and some fruit for supper. They seldom ever have meat or fresh fruit or vegetables. These children are the innocent victims of life's hard knocks, they deserve better.

The "Shoe Box" program that we participated in was for destitute children up to age 14. We filled boxes with school supplies, personal hygiene items and sometimes some candy or a small toy. None of the above came out of our tithes and offerings to the church.

SHOCKEY Genealogy

By:
Lesley Shockey

It is nearing the end of another winter season and therefore time to start preparing for another edition of the SHOCKEY Family Newsletter and making plans for this years SHOCKEY reunion. Colorado Springs will be a long drive for Naomi and I. Actually I do most, if not all of the driving. Naomi keeps me company until we get in heavy traffic and then she buries herself in a magazine to take her mind off the other vehicles.

There has been several who have contributed new or additional information for the SHOCKEY database. Some of these have been major additions, but large or small, all new additions or corrections to the database is greatly appreciated. I have also received many additional photographs to include in the database. Most were sent by email but I have also received some by postal mail. Either way helps build our family records.

I have not made any additional advances finding the grandparents and great grandparents of John Christopher **Shockey**. The email address that I was using for Rev. Gunter Stopka no longer works and he has removed his email address from his web page.. If we do not get proof any other way, hopefully the SHOCKEY DNA Project will provide the proof on these additional ancestors. This will require the right persons to take part in DNA testing and have their results added to the ever growing DNA databases. Family Tree DNA now has over 147,926 Y-DNA records in their database. That is 32,472 added since I ordered my test one year ago. I still believe these ancestors to be Christians and Elsbeth JAGGI and Hans and Barbli JACOB but did not get the proof.

SHOCKEY DNA Project

By:
Lesley Shockey

The SHOCKEY DNA Project started February 22, 2008 and was set up through Family Tree DNA. Test results have been very informative and quite interesting. One major discovery is that those who carry the bloodlines from John Christopher belong to Haplogroup Q (most likely Q1b subclade) which is quite rare in comparison to other groups. More on this later.

We now have sixteen members in the **Shockey** DNA Project. There has been several results that prove that most of us descend from one common ancestor within the last six to nine generations but there were three or four surprises including the discovery of

another surname where the DNA is close to ours but the surname is not.

Most important we have four who have tested and matched perfect 67 out of 67 markers. There is one descendant from Valentine, one from Abraham, one from Isaac and one from Christian Christopher. There is one other who only tested 37 markers but is a perfect match in the first 37 markers to the above four.

There were two who matched 66 out of 67 markers, one a descendant of Abraham and one from John Aaron. There were also two who matched 65 out of 67 markers, one a descendant of John Aaron and one from Isaac. Of these last four, each mutated marker or markers were in unique locations. The results being that even though each only varied from the base standard set above by one or two, between these four the results varied by two to four markers.

Tests for two of the group did not support the paper trail for their ancestors. In each case we believe that we have found the reason for the results.

The surprising surname that appears a close match at 63 markers out of 67 is Baysinger. If there had been only one such occurrence it would have been marked off as a non marital event. However there are two separate cases. The early versions of this surname were Besinger and Boesiger. Both trace their lines back to the 1600s to different ancestors, one in France and one in Switzerland. The second one only tested 25 markers but those 25 match the one from France perfectly. It would appear that somewhere, not too much further back, that we had a common male ancestor.

We also have one new Project member awaiting test results. He has listed his surname as Schockey. The DNA results will let us know if this is a misspelling of **Shockey** or someone not a descendant of John Christopher **Shockey**.

We still have had no one test that is descended from JACOB and SAMUEL. Marie is hopefully that someone in the Pennsylvania area will take the DNA test to help prove Jacob's line. We had a promise from one in Michigan that would have provided the results for Samuel but they have not tested yet. We are also hoping for more descendants of ISAAC to help answer some genealogy questions.

For those who missed this before, the following is a repeat from last year.

The purpose of the SHOCKEY DNA project is to:

- Learn more about our early ancestors and where our ancestors originated.
- assist in identifying descendants of Johann Christoffel SCHACKE, AKA John Christopher SHOCKEY.
- Prove or disprove certain theories regarding some descendant lines that have been questioned.
- Determine if some with variant spellings such as SHAWKEY, SHOCKLEY, SCHOCKEY and others are actually descendants of Johann Christoffel SCHACKE, AKA, John Christopher SHOCKEY.
- Prove the origins of Johann Christoffel SCHACKE and his ancestors and help further our research.
- Prove or disprove the theory that some persons with the SHOCKEY surname are descendants of the SHOCKEY Indian tribe or other Native American group.

You can become a member of the SHOCKEY DNA Project by sending me an e-mail requesting the form link and I will email you a message with a clickable link, or you can visit the FamilyTreeDna page at:

My e-mail address LesShockey@wildblue.net

The normal cost for the Y-DNA37: 37 Markers Test is \$259 plus postage. For those who are part of the Project the cost of the **37 Marker Y-DNA test \$149 + \$2 postage**. The regular cost of the Y-DNA67 Marker test is \$349 plus postage but as a part of the project the cost is **\$248 + \$2 postage**.

When ordering a test kit, you can pay for the test kit by credit card or you can request that they send an invoice with the kit.

The Family Tree DNA test kit consists of two or three sets of cheek scrapers and collection tubes --designed for a single persons use. Each tube contains a fluid designed to arrest bacteria growth, so you can scrape your cheek and return your kit in any type of weather (hot or cold). The freshness of your sample will remain intact for months. Full details of the test kit can be seen on the following page.

DNA Facts

The International Society of Genetic Genealogy list twenty Haplogroups in their 2009 list. Each of these twenty have multiple subclades.

Tests are showing that descendants of John Christopher **Shockey** belong to the Q haplogroup. In human genetics, Haplogroup Q (M242) is a Y-chromosome DNA haplogroup. It is a branch of haplogroup P (M45). It is believed to have arisen in Siberia approximately 15,000 to 20,000 years ago.

This haplogroup contains the patrilineal ancestors of many Siberians, Central Asians, and indigenous peoples of the Americas. Haplogroup Q Y-chromosomes are also found scattered at a low frequency throughout Eurasia. This haplogroup is diverse despite its low frequency among most populations outside of Siberia or the Americas, and at least six primary subclades have been sampled and identified in modern populations.

Scientists have found a total of sixteen subclades of Haplogroup Q. In the Old World, the Q lineage and its many branches is largely found within a huge triangle defined by Norway in the west, Iran in the south, and Mongolia and northern China in the east. Q is the only Haplogroup common, though now in tiny numbers, to all areas where Pyramids have been built.

Christopher Baysinger and I have had the Deep Clade test to refine our Q type results. Both resulted in the Q1b (M378) subgroup. We need some others who have tested to also do the Deep Clade test to confirm that we all belong to the Q1b group.

There is a descendant of Wolf Shakinovsky; born about 1780 in Lithuania who tested and whose DNA is quite close to the **Shockey** group and is Q1b.

Haplogroup Q1a3a (M3) is the only Y Chromosome haplogroup strictly associated with the indigenous peoples of the Americas. In simple language what this tells us is that even though we do share common ancestors to the Native American Indians, the common ancestor likely lived sometime between 15,000 and 20,000 years ago. Our DNA is very similar to theirs and this may explain some of the "Indian ancestor" stories.

SHOCKEY Email List

The Shockey Email list is still located on the Rootsweb.Ancestry.com server. The address to send items is: Shockey@rootsweb.com There has been 12 to 14 addresses removed from the list in the past year. Either addresses have gone bad and new address not subscribed or their research questions were answered.

Obituaries

The following section is devoted to the SHOCKEY family members who are no longer with us. I have been told that some find them offensive or boring. To many others this is the most important part of the newsletter. It is a way for us to pay our last respects to the family members and as a memorial that we would not otherwise be able to offer. If any are missed it is because no one sent a copy to Marie or myself. Our mailing addresses are shown on the cover page of the newsletter and our email addresses appear in various places.

If you would like to see more articles about the lives of our SHOCKEY cousins, you need to send them to one of us. Using email makes it easier but most articles sent in will be included either way.

From William Erickson:

My son Steve and I visited Camp Casey Campus, part of the Seattle Pacific University on Whidbey Island in Puget Sound. "Uncle Charles" was the responsible faculty member who was behind the purchase of 100 acres of the surplus US Army property after WWII.

The reason of our visit was to establish a site for a burial of the ashes of Dr. Charles Shockey and his wife, Grace. A memorial is to be created there. I will be asking the descendants of the three Shockey brothers, Mark, Charles and Eran, to join me in raising the funds needed to erect this memorial.

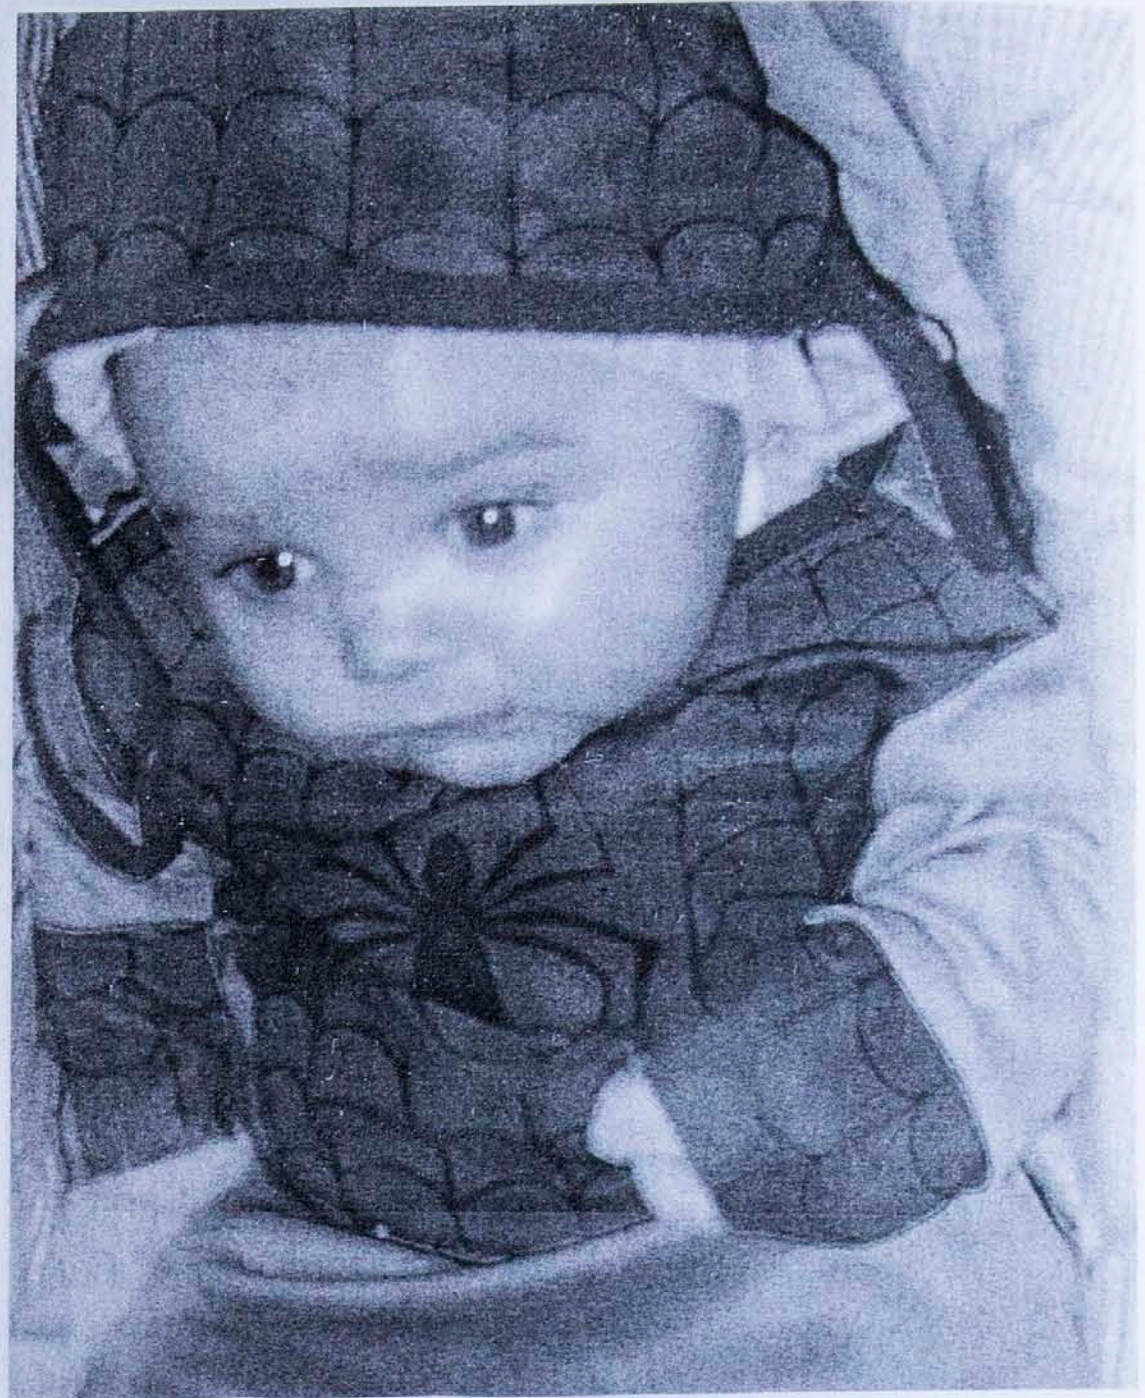

I am gathering information to determine the cost of this venture. When I have completed the fund raising, I will officially be inviting the Shockey Family Reunion to join us on July 4th, 2010.

Mr. Erickson e-mailed some pictures of the site, but they wouldn't print well on my printer. I am sorry about that, it is a beautiful place.

Karlie Joy Shockey was born on April 28th 2008 to Jennifer and Kirt Shockey of Severna Park, Maryland.

Steven David Shockey, Jr. was born in July 2008 in Germany. He is the son of Steven D. and Kristin (Dunsmore) **Shockey**

Shockey Receives Distinguished Alumni Award

Jeffery Shockey was recently recognized as a Distinguished Alumnus of Indiana University of Pennsylvania (IUP). The Distinguished Alumni Award is the highest honor given by the University and is presented to individuals who have achieved distinction in their chosen field. Jeff is one of 273 to be so honored from over 90,000 graduates of IUP. He is the corporate safety director for Alcoa, Inc where he develops strategies to improve the company's global safety performance and its drive to zero injuries and to prevent fatalities world-wide for both employees and contractors.

Jeff is the son of Donald and Roberta Shockey of Meyersdale, PA. He and his wife Debra live in Freeport, PA and are the parents of two children, Jamie and Austin.

PLEASE DON'T FORGET!!!

Make your reservations early and be sure to specify any special needs such as, smoking or non-smoking room or handicap room. If you plan to fly, you need to get your tickets early before they raise the prices for the holiday travel.

Bring any family up-dates and pictures to add to the genealogy data base. The conference room will be open from Thursday through Sunday. Of course we will have to allow some time for sight-seeing. There are so many interesting things to do and see. Some of us have never visited Colorado.

Don't forget to pack your **Shockey Reunion T-shirt and cap**. I will have shirts and caps to sell in case you forgot yours or never had one. Comfortable shoes are a must, I don't know of any reason to bring any really dressy clothes. If you plan to attend church, we have always found that slacks are acceptable. This is a "fun" week-end, just plan to be comfortable.

I have included a coupon page for your convenience in making donations, paying dues and address changes. **Send Newsletter contributions to me. Send dues and contributions to the general fund to the treasurer, Donna Porter. If you make a contribution to Shockeyville Bible Church, you can send it to me or to Scott Luttrell, treasurer of the church. You can find all of these addresses on the list of Officers and Directors which is included in this newsletter.**

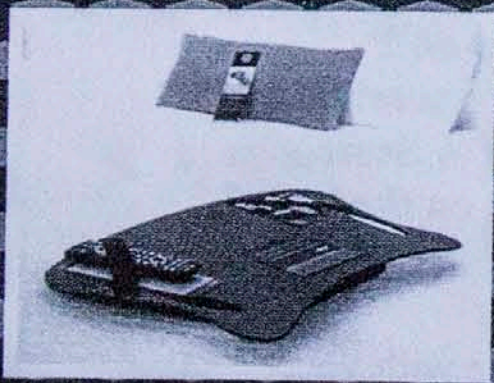

If you don't want to travel alone and don't have a family member to come with you, bring a friend. Lots of us were not born Shockeys, we married one.

We still need some others to participate in the Shockey DNA Project. When I first read about using DNA in genealogy several years ago, I thought what a wonderful thing it would be and now it is a reality. Give it another thought. We still need some from the Jacob Shockey line.

I hope I haven't forgotten anything real important. I hope that we have a large turn-out for this reunion and I urge you to drive carefully. See you in July!!
