SHOCKEY NEWSLETTER NO. 38

Dear Friends and Shockey Cousins,

It is time to start planning to attend the 2012 Shockey Reunion. It was great having the reunion in Springfield last year, but I always look forward to having you all back here every other year.

This past year has been rather strange. There have been wild fires, mud slides, floods, hurricanes, lots of tornados and even an earthquake. That was a new and weird experience for me. The weather is all turned around too. People were mowing grass here in town on the last day of December and daffodils were blooming in D.C. The birds and wild things are not sure what to do. Nature will probably get even with us later on.

The 2012 reunion will be held in Virginia on July 5th through 9th. I have reserved rooms at the **Hampton Inn in Winchester, Virginia**. The address is 1204 Berryville Avenue. The rooms are \$89.00 plus tax. You have a choice of two queen size beds or a king size. If you need a handicap room, you had better reserve early as I don't think they have very many and I have already reserved mine! For **reservations, call 540-678-4000 and specify Shockey Reunion**. You have until June 15th to get the group rate. Check in time is 3:00 pm. Les will be there all day Thursday to greet you if you arrive before check in time. I will be there on Thursday too, but I am not sure what time. The meeting room is ours until 10:30 pm on Sunday. The Motel offers a free hot breakfast, an outdoor pool and most of the other extras that Hampton Inn usually provides. Directions to the Motel are on another page.

There are a lot of nice places to eat. Shoney's is right across the street and several fast food restaurants are within a few blocks. You can go one more exit south on I-81 to exit 313 or Rt. 50 E and there is a Steakhouse, Cracker Barrel and Golden Corral. Bob Evans, Red Lobster and Olive Garden are a little farther into town. I will try to find a city map for your convenience.

I don't have a complete itinerary, but I do know that on Saturday we offer the tour to Oakland where John Shockey's cabin stands and the Oakland Cemetery. We end the tour at Shockeyville church about lunch time. Scott Luttrell usually provides sandwiches, lemonade and iced tea. He will tell you the history of Shockeyville and the church.

On Sunday we caravan to Shockeyville Church. We will need to leave the motel about 9:00 or a little after as services begin at 10:00. Rev. Isaac Luttrell will bring the message and he and his wife, Diane, play and sing gospel songs which is a wonderful part of the service. Those of you who are here for the first time will be pleasantly surprised. After church we have a picnic lunch and the general meeting. I am not sure which will come first. My sons and grandsons are in charge of the food. I will tell them what the menu should be and where to get it and they are responsible for having the food there on time and serving it. We have done this a few times and it has worked out real well. There is refrigeration available if we need it. The will be \$10.00 per person and children under five are free cost. I do have to have a head count a week or two in advance if possible. You can phone or email the names of those who are with you. You don't need to pay ahead of time. I will collect the money on Friday or Saturday.

On Monday we offer the Maryland/Pennsylvania Tour. Les conducts this tour and he has more history to add every year as he learns more about the places and the people who lived there. You will see the 1820 acres that belonged to John Christopher Shockey, the spot where Valentine's cabin stood and where Shockey Station stood. I had a picture of Shockey Station and I think Les made a copy of it. This tour takes most of the day. There are several places of interest to visit such as Shank's Mill which was Shockey's Mill at one time. The mill may be open so that you can go inside and see it much like it was more than 100 years ago. Les is an outstanding historian, so I am sure you will enjoy this tour.

I haven't planned anything special for Friday. If I could get enough folks who want a tour of D.C. I would try to charter a Bus for that day. The last time I made this suggestion, only one family responded. Let me know by May 1st if you want to do this. The cost of the charter would be divided equally. If as many as 25 would go, the cost would quite reasonable. Otherwise, you are on your own for that day. There will be brochures in the motel on all of the local attractions. Of course the meeting room will be open and we will be there to visit with you and to add any information you have to the database.

The 2011 reunion was held in Springfield, Illinois and hosted by Grant and Betty Shockey, Clifford and Sally Hill and David and Debbie Hill. They made my job easy. Grant visited all of the motels and sent me information on all of them and a whole stack of brochures on things to do and see in Springfield. Clifford and Sally Hill volunteered to cater the lunch on Sunday and his brother, David and his wife, pitched right in and they did a great job. I want to thank Grant Shockey and the Hill families for all they did to make the reunion one that we will always remember. I didn't do any sight-seeing, but most of the others did. Gwen Rosenfeld took a group on a tour of Elkhart Cemetery where there are many Shockey graves. The Lincoln Museum and the State Museum were enjoyed by all who toured them. There was so much to see that it would have taken several more days to take it all in.

Sunday lunch was in Clayville, Illinois, which is about 16 miles from Springfield. It is an old stagecoach stop and home of the Broadwell Inn which is in the process of being restored. This is where we had lunch. Our hosts had everything fixed so nice and inviting. The food was delicious. Cliff made the baked beans and they were a huge hit! He said I could include the recipe so it is elsewhere in this newsletter.

I wasn't real sure that we would have a good turn out in Springfield, but I was pleasantly surprised. I counted more than 65 at lunch, but some of them were moving around and it is hard to count moving objects. I think that 70 is a pretty fair estimate. We had folks from 12 states—38 new cousins! Those attending were: David and Donna Shockey, Rineyville, Ky., Lesley & Naomi Shockey, Sandyville, WV., Clifford & Sally Hill, Wheaton, IL., Cyrus & Candace Shockey, Shawnee, KS., Gwen Rosenfeld, Elkhart, IL., Marie Shockey, Berkeley Springs, WV., Dennis & Janel Teegardin, Brunswick, OH., David & Debbie Hill, Pleasant Plains, IL., Cynthia Williams, Atlanta, GA., John L. & Betty Shockey, Lonsdale, AR., Jade Shockey, Lonsdale, IL., Landon Shockey, Little Rock IL., Jim & Helen Lambert, Belpre, OH., Warren Shockey & Cay, Tulsa, OK., Grant & Betty Shockey, Girard, IL., Rebecca Cochran, Trenton, MO., Trish Hollis, Williamsville, IL., John A. Shockey, Kirksville, MO., David & Toni Shockey, Hot Springs, AR., Jack Shockey, Hot Springs AR., Patricia Dilley, Lakeland, FL., Joe Shockey & Leona Lefler, Decatur, IL., Bill Atteberry SR, Springfield, IL., John H. & Kathleen Shockey, Roscoe, IL., Walda Ann Paris, Greencastle, MO., Gwen Perrachione,

Kirksville, MO., Chris & LeAnn Shockey, Ramsey, IL., Elizabeth Ferry, Taylorsville, IL., Bill Ferry, Virona, IL., Barney & Pat Fahey, Springfield, IL., Daniel Shockey, Wyoming, ILL., Kent & Kathy Nyilas, Springfield, IL., Bill & Vicki Fahey, Springfield, IL., Marty Fahey, Springfield, IL., Tom & Fadra Birdsell, Ashland, IL., Trevor & Bradley Birdsell, Ashland, IL., Marcia & Dave Bentley, Pawnee, IL., Bud Roseberry, Idaho Falls, ID., Barb Royer, Shawnee, KS., John Edward Shockey, Anaheim, CA. Some of those who did not sign in were Grant Shockey's son and wife and baby and Gwen Rosenfeld's brother. The states represented were Kentucky, West Virginia, Arkansas, Idaho, Ohio, Illinois, Kansas, Oklahoma, California, Missouri, Florida and Georgia.

I really thank all of you for your cards, letters phone calls, articles for the newsletter and donations to help pay the cost. I try to keep the cost down as much as possible, but the cost of mailing goes up almost every year. Last year they told me that if the newsletter had weighed a fraction more, the cost would have been considerably higher. They used to let me have 40 pages, but now I am limited to 36 in order to comply with the weight limit. Last year I printed 1,350 newsletters. I mailed 1,277 and personally delivered as many as I could. The total cost of the bulk mail permit, mailing, and 73 returns @ .50 each was \$2,779.24. Direct donations were \$1,207.00. That left \$1,572.24 out of my pocket until after the reunion. Your dues and proceeds from the sale of t-shirts is all we have to cover that cost. I understand why donations are down. The economy is a mess and folks are struggling just to keep their own bills paid. Some of those who donated regularly for years, have since passed away. We lose some of them every year. We will keep this going as long as we can pay for it. It would not help to put it on line. Too many of those on the mailing list do not do computers. I don't want anyone to be left out. Ralph wanted the newsletter to go to everyone who wanted one. He knew that he would always reach new folks through the others. I know that was not the most practical idea in the world, but look where it has gotten us!

Scott Luttrell usually has some remarks to make regarding Shockeyville Church. He said to tell you that he has repaired the picnic shelters across the road which had been damaged by wind storms and has cleaned up all of the trash that blew in. He is going to paint them as soon as the weather permits. The church is financially doing well. We have been blessed by a mild Winter which has kept the heating cost down and we have only missed two Sundays due to bad road conditions. In the past year we have had several new people attending services pretty regularly. It is still a small congregation which is really good in many ways. We always look forward to having you here for the Shockey reunion.

Cliff and Sally Hill and David and Debbie Hill co-hosted the Shockey Reunion this year. The area was very beautiful, interesting, and historical. Cliff Hill welcomed everyone in attendance. Debbie Hill told the group about the historical buildings where the picnic and meeting were held. She later gave a very interesting and informative tour of the buildings. We all appreciated the huge effort by the Hills of putting this year's reunion together. The food and site were wonderful. Several Shockey cousins were able to meet for the first time and some were reunited.

David F. Shockey then opened the meeting and again welcomed all those in attendance. He thanked the Hills for hosting this year's reunion

David L. Shockey, Acting Chaplain, led the opening prayer. He then read the memoriam for those Shockey cousins who had passed on this past year.

Those in attendance introduced themselves and told where they were from. The states represented were West Virginia, Ohio, Kentucky, Idaho, Illinois, Arkansas, Missouri, Oklahoma, Kansas, Georgia, and Florida.

Donna P. Shockey read the minutes of the 2010 meeting. Motion was made, seconded, and approved to accept the minutes as read.

Treasurer's Report: David F. Shockey read the Treasurers Report (copy attached) in the absence of Donna Porter. Beginning balance was \$2,829.43. Including the income (dues, church, general fund, and DNA project), the balance was \$3,935.64. Total expenses were \$1,514.20 (including Newsletter, church, land tax, registration fee, DNA project, 2010 reunion lunch expenses, and bank charges). Balance as of June 2011 is \$2,421.44.

Membership dues and contributions for the Newsletter are down this year.

Newsletter Report: Marie Shockey presented the Newsletter Report (copy attached). Total expenses for the newsletter were \$2,779.24. Total direct donations were \$1,207.00. Also included in the expense amount is the purchase of 25 T-shirts for \$172.20, bringing the total amount due to Marie for the newsletter and T-shirts is \$1,744.44.

Marie asked that folks keep their addresses current. If there is even a small mistake in the address, the post office will not deliver and it is returned to her at an additional cost. Marie enjoys putting the newsletter together and always welcomes articles that folks send in. Of course all monetary donations are appreciated as this is what keeps the newsletter funded.

Motion was made, seconded, and approved to accept the Newsletter Report and reimburse Marie \$1,744.44.

Genealogy Report: Les Shockey reported that there are well over 20,029 persons in the Shockey data base. There are many photos and can always use additional photos, census records, etc. to be used for verification. Many folks think the Shockeys are German descendants but more are actually Swiss descendants. Found more information on where John Christopher lived in Westmoreland County and discovered that at least one other son besides Samuel Christian lived in or around Westmoreland.

There are 25 participants in the DNA project and all are male descendants from the first 6 sons. No one has been tested for Samuel's line. We have a DNA Fund set up and have received a couple donations. Please contact Les if you would like to participate in the DNA project or if you would like to donate to the fund.

Bud Roseberry continues to work on the data base.

Motion was made, seconded, and approved to accept the Genealogy Report.

Church Report: David F. Shockey read the Church Report in the absence of Scott Luttrell. The endowment fund for the church beginning balance was \$26,827.79 and the ending balance was \$32,943.70. Available for distribution is \$999.90. The church receives weekly donations.

Motion was made, seconded, and approved to accept the Church Report.

Old Business: None

New Business: The 2012 Shockey Reunion will be held in Shockeyville, VA. Typically the reunion is held during the odd years at another location. It was recommended and approved by the board to have the 2013 reunion in Oklahoma City. The 2014 reunion will be held in Shockeyville. We ask that anyone who is interested in hosting a reunion beyond 2014, please let one of the board members know.

SHOCKEY Genealogy

Lesley Shockey

We enjoyed another great reunion this past year, this one in Springfield, IL. There were many new families that were attending the **Shockey** reunion for the first time as well as several cousins that we have come to know and love from past reunions. There were several interesting tours to remember, especially the high speed tour of Springfield that a few of us were given. In the hospitality room Bud and I were again kept busy with updating the database and answering questions. Finding new cousins and adding to and correcting the database makes the reunion worth the effort taking our computer equipment to the reunions worthwhile.

This year the Monday tour on July 9th will again go to Rouzerville, PenMar, Ringgold and visit the actual site of Johann Christoffel (Staphel's) cabin as described in the Journal of Charles Mason and Jeremiah Dixon

I will try to contact Adrain Shank, the son of Yula Shank, again to see if he has completed the restorations to the old mill so that it is again. The bad news to this is that his mother's will is being contested and he is not permitted to allow anyone to tour the property or to start his restoration work until this is resolved.

Again I wish to thank those who have contributed new or additional information for the **SHOCKEY** database. The family histories and the photographs are always very much appreciated. I continue to add this material as quickly as I can. It is a major help when data is submitted using a genealogy program that conforms to current GEDCOM standards such as RootsMagic 4 or 5. Most programs do conform but Family Tree Maker or Family Tree for Windows do not conform and fail to import data into the proper locations in programs that do meet the standard.

SHOCKEY DNA Project

By:

Lesley Shockey

The **SHOCKEY** DNA Project is part of the Family Tree DNA. Descendants who carry the bloodlines from John Christopher **Shockey** belong to Haplogroup Q (most likely Q1b1a subclade) which is quite rare in comparison to other groups. We now have twenty six members in the **Shockey** DNA Project. I am the only family member to take advantage of the Y-DNA 111 marker test. We do have twenty one who have

tested the Y-DNA 67 marker test. So far only six have had the Deep Clade test which will show the true subclade of Q1b1 or Q1b1a. We have a total of six family members who have taken advantage of the Family Finder test. There has only been one female **Shockey** descendent have the test after so many of the ladies wanted a test that would help prove their **Shockey** lineage. The one who tested does show as a 2nd cousin to one of the males who tested.

We have had one or two person that expressed doubts regarding DNA testing. Marie and I have both been amazed at the accuracy of the results that we have so far. We have used it to verify research and theories. We have also used it to determine which story is true when two families who have common ancestors show different lineages from the ancestor back to Johann Christoffel.

In mid-February I received an email from Dick Shawkey stating that he going to Europe in March and was taking a DNA kit for his friend Wolfgang Schacke who is from Frankfurt but currently works in Switzerland. Dick has since ordered the test kit in Wolfgang's name so hopefully before reunion time we will know if this Schacke line is also part of our family. He plans to also order his own DNA test kit. Later he will see if Fritz Schaaake will agree to be tested.

You can also become a member of the **SHOCKEY** DNA Project by sending me an e-mail requesting the form link and I will email you a message with a clickable link, or you can visit the FamilyTreeDNA page and enter the **Shockey** surname:

My e-mail address **LesShockey@frontier.com**

The cost of the various DNA tests continues to drop as more people join the testing. Details of the test kit can be seen on the following page.

<http://www.familytreedna.com/kit.html>

Much more can be learned about the tests at:

SHOCKEY Email List

The **Shockey** Email list is still located on the Rootsweb.Ancestry.com server. The address to send an item is: **Shockey@rootsweb.com** We now have 103 subscribers on the email list. Other addresses have either gone bad and a new address was not been subscribed or their research questions were answered.

Obituaries

The following section is devoted to the **SHOCKEY** family members who are no longer with us. It is a way for us to pay our last respects to the family members and as a memorial that we would not otherwise be able to offer. If any are missed it is because no one sent a copy to Marie or me. Our mailing addresses are shown on the cover page of the newsletter and our email addresses appear in various places.

If you would like to see more articles about the lives of our **SHOCKEY** cousins, you need to send them to one of us. Using email makes it easier but most articles sent in will be included either way.

She was preceded in death by the love of her life, her husband of 56 years, Richard W. **Shockey Sr.**, in 2003 and her son, John F. **Shockey**, 49, of Charles Town, in 1998. She lived her life for her beloved family.

Her son gave her exceptional around-the-clock care in the comfort of her home. Sustained with hospice assistance, this allowed for friends to come and go and spend additional time with her in her last months.

She was loved for her wisdom, kind words, big heart, incredible home cooking and caring ways. She was such a positive influence on so many people. She

will be missed by all who knew her, including her three closest lifelong friends, Lucille (Babe) Kratz, neighbor, Gloria McCormick, both of Charles Town, and Jewell Donavon, of Florida.

addition Lenna has 6 siblings who survived her; Glenn Cannell of Riverside, Norman Cannell of Rialto, Merlin Cannell of Idaho, Ruth Warner of Idaho, Deeann Medenhall of Idaho, and Carol Martin of Idaho.

Before moving to the San Joaquin Valley Lenna lived in Los Angeles attending Dress Design School as well as Art Design School, receiving her degree in the mid 1930's.

On April 15, 1939 Lenna married her sweetheart "Red" in Los Angeles; they then moved to Manteca 69 years ago. Upon moving to Manteca Lenna became active in her church, the Church of Jesus Christ of the Latter Day Saints - Pine Street Ward. While raising her family, Lenna involved herself with teaching Sunday school and was one of the key supporters in their church building fund by raising funds through baking and making specialty candies and sweets. She was a member of the Modesto Dixieland Jazz Society as she loved to dance and socialize with her husband Red. She was also a proud member of the Manteca Artist Guild as many would say, "she had a gift for painting beautiful murals." She loved traveling in her RV often taking her grandchildren to the mountains and the ocean. Just last year Lenna traveled to Hawaii with her Daughter-in-law Juanita, as she was extremely proud that at 94 she swam for the first time in 60 years in the beautiful Pacific ocean of Hawaii. Lenna was a wonderful example to those she came in contact with; she lived her life with faith in the Lord as she loved others unconditionally.

SHOCKEY SAVES CHOKING TEAMMATE

Carolina Panthers tight end, Jeremy Shockey's biggest play of the preseason came in the team's cafeteria, when he saved fellow tight end, Ben Hartsock from choking.

It was during lunch when Hartsock began to choke. More than one teammate performed the Heimlich Maneuver without success. Ben said "Shockey came over and gave me the Heimlich Maneuver and saved my life." He was in good spirits and really thankful to Shockey.

Jeremy Shockey is a 31 year old four-time pro-bowler. He played for the New York Giants and three seasons with the New Orleans Saints and is now with the Carolina Panthers. He was with the Saints when they won the Super Bowl.

So often you hear negative things about NFL Players. It is always refreshing to hear about the good things that they do.

Below: Clifford Hill's recipe for Baked Beans.

Several have asked for the baked bean recipe served at the Reunion dinner at Clayville on July 3. Here it is.

Note: This recipe is from Paula Deen via her friends, Sue and Gloria, and tweaked a bit by me. It's been called "the BEST Baked Beans EVER!" I would agree.

Serves 12-16 (I calculate 14).

4 16 oz. cans baked beans (64 oz.)

1 20 oz. can crushed pineapple

1/2 c. molasses, optional (only if you like really sweet beans....I did not use this in the beans served at Clayville)

1 c. barbecue sauce - your favorite brand

2 Tbs. yellow mustard

6 slices bacon, cooked and crumbled (I used a bit more)

1 6 oz. can french-fried onions, crushed

2 -3 tsp. hot sauce, your choice and to taste

2 tsp garlic powder

1/2 tsp black pepper

1 medium chopped green pepper (sautee briefly, or not; I did not. This is part of my "tweak" of the recipe and I think adds to the flavor)

Preheat oven to 350 degrees.

Combine all the ingredients, **BUT ADD ONLY HALF THE FRENCH FRIED ONIONS.**

Pour into a 9 x 13 sprayed casserole dish.

Sprinkle with the remaining french-fried onions.

The casserole will be very full, so set it on a cookie sheet to save your oven :)

Bake for approximately 1 hour or until it bubbles.

Enjoy!

I adjusted the recipe to serve 70 at the reunion.

Touring Macon's history

Ronald Watts and Harold Burkhardt are pictured telling members of Girl Scout Troop 9501 about the Shockey Mill. The mill is a recent addition to Macon County Historical Society Museum. The mill is the original building opened in 1905 by J. O. Shockey in Coxtown, which is east of Excello. The building now has a new home on the second floor of the museum and was taken apart and restored using all original lumber with the exception of the second story floor. Burkhardt, Watts and a group of volunteers spent over 1,000 man hours to move the structure. The project began in November and was completed last week. Twelve of 19 members of the troop and many parents were present for the tour on Saturday morning. Troop 9501 is led by Modeste Ewing and Beth Watts. The scouts donated \$126.35 that was earned from Girl Scout Cookie sales to the museum. Ewing said that they girls are also planning a service project to help the Historical Society this spring. -C-H PHOTO BY DEB KEITHLEY

Hagerstown man inducted into Wallace Society

WAYNESBORO, Pa. — Antietam Historical Association has started the Captain Thomas Wallace Society by naming Michael R. Flohr of Hagerstown as its first inductee.

Membership in the society is based on lineal descent from any of the militiamen listed on the muster rolls that Wallace kept in 1789 and 1790.

In the latter part of the eighteenth century, Pennsylvania required every able-bodied male between the ages of 18 and 45 to muster with the local militia or pay a fine. This was intended to prepare the men for the defense of

the commonwealth. Each basic unit of militia organized under a captain. Wallace's militia territory covered the eastern part of Washington Township and the southeastern corner of the present Quincy Township, Franklin County.

Capt. Thomas Wallace (1746-1804) was the older half-brother of John Wallace, founder of Waynesboro. Thomas resided near the present intersection of East Second Street and Enterprise Avenue, Waynesboro, where his father had settled around 1750.

Wallace's muster rolls include many surnames still familiar around Waynes-

boro: Sechrist, Biesecker, Bonebrake, Price, Shockey, Mentzer, Snowberger, Noll, Funk, Rock, Royer and various others.

The Captain Thomas Wallace Society is the second of The Hereditary Societies of Waynesboro sponsored by Antietam Historical Association. The first, the Alexander Mack Society, recognizes descendants of the founder of the Church of the Brethren and related denominations.

Applicants for membership must prove their lineal descent from historical figures that AHA recognizes. Each application must include payment of a \$25

processing fee. Successful applicants receive membership certificates suitable for framing.

For applications, instructions and lists of qualifying ancestors, or to email questions, please visit www.antietamhistory.org. Applicants may also contact AHA by mail at 119 W. Main St., Waynesboro, PA 17268 or by telephone at 717-658-6789.

AHA was founded in 2006 for the purpose of collecting, preserving and interpreting historical information concerning the region drained by Antietam Creek and its tributaries in Pennsylvania and Maryland.

A Move to China

Tonya Shockey Blanchford and her family (Art (husband), Alex (age 11), Sawyer (age 8) and Kayli (age 6) moved to China December 31, 2011. This is their story of the first two months living there.

Getting Used to the Culture is phase 1 of moving to a new country: learning the language, getting around town without being able to drive on your own, and understanding the people (all while trying not to miss home too much)!

We have been here over 2 months now and are still adjusting to everything. It's getting easier every week! Surprisingly, we all like a variety of the Chinese food! Sometimes we get a little picky (okay, a lot!) when it comes to "fish on a stick" at the roadside stands, or choosing a live fish in a tank for dinner! However, we all love dumplings!! So much so, Tonya has taken cooking classes learning how to make them, plus how to cook tofu and other vegetarian dishes.

We are all enrolled in Mandarin classes, which is a difficult language to learn! It's coming along pretty well and really helps in dealing with people who only speak Chinese. The kids learn Mandarin at school during the week, Tonya has two 2-hour sessions per week and Art has one 2-hour session per week.

Interestingly, all the people are so friendly and helpful! There are so many foreigners (expats) who live here that it's become part of their culture to understand and help them (us).

Art is enjoying his new job running the China division of Autoliv while the children have settled really well into their new British International School. Tonya is volunteering at the school and making friends as well.

We are thrilled to have this opportunity to live here for three years and invite anyone over who would like to visit!

THE MYSTERIOUS BLUE SHOES

In the early 1930's there was little that people could afford to do for entertainment. The schools put on little programs from time to time and the churches had programs at Christmas, Easter, Children's Day and a home-coming once a year. Everyone attended these functions.

A couple of days before Children's Day, we discovered that my little sister had out-grown her Sunday shoes. This was all day service with dinner on the ground. When all of the recitations were said and the hymns sung, there would be a wonderful dinner. Each family would spread a table cloth or quilt on the ground in the shade of the big Oak trees and there would be fried chicken, ham, potato salad, cole slaw, pickles, home baked bread, cakes pies, iced tea and lemonade. After lunch there would be preaching and singing all afternoon, and someone was going to have to stay at home with my little sister because she had no shoes. We needed a miracle.

On Saturday daddy went to the store to pick up the mail. In the mail was a small package from Montgomery Ward Mail Order Company. We had not ordered anything, so we were curious to see what was inside. It was a little pair of blue t-strap tennis shoes. My parents stared at each other, then mama tried them on my sister. They were a perfect fit!

There was no clue as to who ordered them. No one knew she needed shoes since no one would ever admit that they had to stay at home because one of their children had no shoes. We never learned who ordered them, so to this day the mystery of the little blue shoes has remained just that, a mystery.

In case I have forgotten something: Please use the coupon page to send donations to the newsletter, dues or the general fund. Send newsletter donations to me and all others to the treasurer, Donna Porter.

Keep your address updated. Your newsletter will not be delivered if there is a change. They do not forward bulk mail and that is the only way that we can afford it.

If you plan to fly, I suggest that you come to Dulles Airport and rent a car. Drive west on route 7 to Winchester. When you cross over I-81 you will see your Motel on your right.

Candy Hill Campground is on route 37 west of Winchester. The phone number is 1-540-662-8010. If you plan to use a campground, you need to make your reservations early as that is the only one that I know of in the area.

Don't forget to pack your Reunion T-Shirts and caps. I will have more there if you forget yours. You need to bring your camera and wear comfortable shoes.

If anyone has a copy of the **Shockey History and Genealogy**, I know of some folks that will buy it. There are always requests for a copy.

: SUNDAY PICNIC LUNCH AT THE CHURCH : I need a head-count as soon as possible. Call or email me the number in your party. The cost is \$10.00 for adults and children under five are free. You don't need to pay in advance but I will collect payment before we leave the motel on Sunday. It is too confusing to try to collect on Sunday except for those who only come for the day.

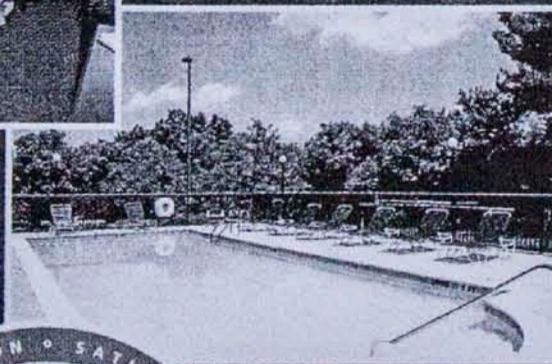

Think about participating in the DNA project. It has helped to clear up a number of questions that have taken years of research and with DNA, the answer was easy. It would have saved so much time and trouble if DNA had been available many years ago when our research began. We didn't even have the use of computers. We need help from other researchers and we will help them. Make use of all of the tools that we have available today. There is much to learn and actually, it is fun!

Drive carefully and I will see you in July!
