## NEWSLETTER NUMBER 41

Dear Friends and Shockey Cousins,

It is time to make reservations for the Shockey Reunion. It was decided at the last reunion for at least the next two years we would hold the reunion in the Virginia/Shockeysville area here in Winchester. Most of the folks who attend on a regular basis have health problems and handicaps which makes travel a real Challenge and we are getting old. After my last health check-up they said I was as 'healthy as a horse'. That sounded good until I thought, 'how healthy is a 92 year old horse.?'

I have reserved 30 rooms at the Holiday Inn Express for July 1 through 5. There are 10 king, 10 double queen, 3 queen suites, 2 king suites and two handicap king with roll-in showers. The discount rate is \$70.00 for standard rooms and \$80.00 for suites plus 7.3% tax. Rooms not reserved by June 16<sup>th</sup> will be released to the public at the standard rate. In order to get the discount rate, guests must specify Shockey Family Reunion. The meeting room will be open Thursday through Sunday. Les will be there to greet you and I will be there later that day. The reunion is the only vacation some of us have. It is such a joy to spend time with our Shockey cousins. I get to visit with my own family too. There are not many of them left. In the past year I lost my two brothers, a cousin and a brother-in-law. I still have two sisters, some nieces and nephews, three grandsons and two great grandchildren in that area. My son, Ralph lives in Frederick. He had a knee replaced in May of last year and it became infected and after numerous antibiotics, four surgeries and a lot of nursing home and rehab, he is just now regaining his health and walking with a cane. I haven't seen him since the last reunion either.

The itinerary remains the same as in previous years. We always have new cousins every year, so on Saturday we offer a tour of the Oakland cemetery, John Shockey's original cabin, the Oakland Post Office and end up at Shockeysville church about noon. Scott Luttrell will meet you there and give you the history of Shockeysville and the church. He usually includes some local history and a few humorous stories of the area and its people. He has always provided sandwiches, iced tea and lemonade at no charge. A donation to the church is appreciated.

On Sunday we attend church services at the church followed by a picnic lunch and the general meeting. After that we take a group picture in front of the church. I plan to provide the lunch again for \$10.00 per person, kids under six are free. If the cost of the food exceeds my budget, I may have to charge a dollar or two more. I plan to have my two grandsons do the work. I just give them the menu and money to pay for it and they take it from there.

On Monday we do the Maryland/Pennsylvania tour. I am not physically able to do that one, but it is very interesting, historical and scenic. After the tour, some folks return to the motel and others continue on their way home filled with stories to tell their families and friends.

Last year we had 54 guests that signed in and showed up for lunch. Eleven states were represented. Those from West Virginia were: Les and Naomi Shockey, Sandyville, Bill and Cindy Shockey, Kingwood, Neal and Edna Shockey, Cindy Pritt, Debbie Riggleman and five other family members from Mabie, WV. From Virginia: Scott Luttrell, Stephenson. Rev. Isaac and Diane Luttrell, Gore, VA. John Gregory, Winchester, VA. Dan and Dottie Shockey, Danny and Lyn Butler, Abby and Nga and Diane Martinez, Stafford, Va. From Maryland: Ralph and Brian Shockey, Frederick, MD., Bill, Vanessa, Mickela and Annabelle Shockey, Mt Airy, and Paul Browne, Mt Airy, Md. From Pennsylvania: Mildred Hoagland, David Hoagland, Shoemakersville, PA., Glen and Virginia Shockey .From Kentucky: David and Donna Shockey, Rineyville , KY., Marie Shockey, Elizabethtown, KY. From Georgia: Bonnie Tennant, Grovetown, GA., Charlotte Shockey and Carol Shockey, Harlem, GA. From Arizona, Stephen and Nancy Shockey, Glendale, AZ. From Idaho: James 'Bud' Roseberry, Idaho Falls, ID., From Nebraska: Kayleene Silvester, Champion, NE. From Iowa: John and Tamara Sprole, Des Moines, IA., From Ohio: Jim and Helen Lambert, Belpere, OH., Dennis and Janel Tegardin, Brunswick, OH.

The Motel is easy to find. The address is 142 Foxridge Lane, Winchester, VA. It is on the north side of Winchester. If you come in on route 522, you go through 5 traffic lights and it is right there on your right behind Sheetz, Arby's and Kentucky Fried Chicken. If you come in on I-81, get off at the Rte 37 by-pass to route 522, turn left on 522 and the motel will be on your right. There are plenty of places to eat close by. Across the highway is the Venice Restaurant, Starbucks, Mc Donalds and Subway. Olive Garden, Red Lobster and Cracker Barrel are a short distance away. We will provide you with directions. The Motel provides a free deluxe continental breakfast. There are two Supermarkets nearby if you need some snacks.

If you plan to fly, I suggest that you come to Dulles Airport, rent a car, take Route 7 west til-81, north toward Martinsburg, get off at the Stephenson exit, turn left on the route 37 bypass, get off at the route 522 exit and turn left. This may sound complicated but it is not. Candy Hill Campground is a short distance from the motel on route 37 west. Their phone number is 1-540-662-8010.

I don't have a report on Shockeyville Church. I presume that all is going well. Scott would let me know if they had any problems.

Lesley (Les) Shockey, Director/ Computer Genealogist/ Newsletter Editor (West Virginia)  
Marie F. Shockey, Director/Genealogist/Newsletter Editor (Kentucky)

Gerald Shockey, Vice President (Texas)  
Donna J. Porter, Treasurer (Colorado)  
David L. Shockey, Director/Chaplain (Arkansas)  
John Lewis Shockey, Director (Arkansas)  
Cliff Hill, Director (Illinois)

President David F. Shockey opened the meeting. The opening prayer was given by Scott Luttrell.

David recognized all those who served in the military and thanked them for their service. Each gave their name, rank, and branch of service.

David also recognized Dan Shockey who served in the Navy and also served as Vice President of the Shockey Family Memorial Fellowship for many years. His contributions were greatly appreciated.

The Board of Directors were recognized by name and each stood.

Donna Shockey read the minutes from the 2013 family reunion. Motion was made, seconded, and approved to accept the minutes as read.

**Treasurer's Report:** Donna J. Porter submitted the report. Beginning balance was \$406.80. Income Received was: Dues: \$370.00, General: \$180.00, Other: \$412.68, Total Balance Received: \$962.68. Total Expenses were: \$255.81, with an Ending Balance of \$1,113.67. Motion was made, seconded, and approved to accept the Treasurer's Report.

**Genealogy Report:** Les Shockey reported that there were 20,933 individuals and 7,447 families on the data base. Out of 29 males in the group, 19 are true Shockeys. Twenty individuals tested for the maternal line. Six Shockey females did the mtDNA testing.

Bud Roseberry continues to work on the Shockey Data Base. Motion was made, seconded, and approved to accept the Genealogy Report.

**Newsletter Report:** Les reported that for the past two years, the Newsletter has been published on-line. This was due to Marie's computer crashing and also the cost of mailing the Newsletters was extremely high. The Newsletter is sent out on e-mail and Rootsweb. If anyone doesn't want their name to be on either of these lists, provide Les with their individual e-mail and he can send separately.

David mentioned if anyone doesn't receive the Newsletter or has anything to be put in the Newsletter to get with Les. Motion was made, seconded, and approved to accept the Newsletter Report.

**Church Report:** Scot Luttrell reported that he is doing some small upkeep and repair but looking at doing some bigger jobs around the church. The Shockey/Luttrell Memorial Fund has over \$50,000. So far, he hasn't withdrawn any money for upkeep of the church building or grounds.

Motion was made, seconded, and approved to accept the Church Report.

**Old Business:** A few years ago, the Board voted on and approved providing Les with some funds to continue the DNA study. Les has \$200.00 to assist with the DNA study. Motion was made, seconded, and approved for Les to use these funds for this particular testing. There is confusion in the database over if certain descendants are from the Abraham, the son of Abraham and Margaret or from Abraham, the son of John Aaron and Susannah. There are unique DNA markings for descendants of John Aaron.

Discussions have been made on the location sites of future Shockey reunions. When the reunions were first started by Ralph and Marie, they were all held at Shockeyville. Over time, they have been held in other locations such as Parkersburg (WV), Arkansas, Utah, Colorado, Texas, Kentucky, Illinois, Oklahoma, etc. This was an excellent idea but now there are travel issues for some in rotating to different locations. As a result, the Board suggested the reunion be held in Shockeyville for 2015 and 2016. Would re-look at the location sites in 2016 and decide then whether to continue having the reunion in Shockeyville or rotate. Motion was made, seconded, and approved to have the reunion at Shockeyville in 2015 and 2016.

**New Business:** Clifford Hill, Director, has submitted his resignation. Motion was made, seconded, and approved to accept Cliff's resignation.

Donna P. Shockey, Secretary, Board of Directors, has submitted her resignation after 15 years.

David F. Shockey, President, Board of Directors, has submitted his resignation after 15 years. They both need to focus on other responsibilities but will carry out the duties until 2015. Motion was made, seconded, and approved to accept both resignations.

David asked that anyone who has suggestions for proposed candidates for these positions to contact him. There will be a process to go thru. The candidates should have a high level of commitment.

The Board nominated Paul Brown as Director to replace Cliff Hill. Paul has attended several reunions, is always willing to help out where needed, and would be an asset to the Board and Shockey Family Fellowship. Motion was made, seconded, and approved to accept Paul Brown as Director.

David has all of Ralph and Marie's research papers. He will look through the documents and decide where best to have them stored.

Dan Shockey brought up the fact that the restroom facility at the church is not very accommodating. The Board asked Scot Luttrell to look into some options and costs involved in updating the facility. He will give a report at the 2015 reunion.

Isaac Luttrell he has been here for 28 years. He wanted to thank everyone for their donations for the food bank. A big thank-you to Brian Shockey for catering the lunch at the church. The food was delicious and he did a great job. Meeting adjourned at 1:05 p.m.

Respectfully Submitted,

Enclosure: Treasurer's Report

Donna P. Shockey, Secretary

## SHOCKEY Genealogy Updates

By:

Lesley Shockey

Once again it is that time of year to begin our planning and preparing for the **Annual Shockey Family Reunion**. This year we will once again be gathering in Winchester and Shockeyville, Virginia with Marie Shockey again hosting the event. Marie has the complete details for you to make your reservations in her article.

It has been six months since Naomi second round of Chemo for her lung cancer ended. The CT scans last week, and 3 and 6 months ago are all showing no increase in the mass in her lungs. The bad news is that she does have considerably more fluid buildup around her heart and doctors are in the process of scheduling an **echocardiogram** to learn more about this fluid. They may be using a needle to obtain a biopsy to test the fluid or make arrangements to drain this fluid.

In addition to Naomi's health problems I have been experiencing considerable lower back pain as well as trouble with both hips and my legs going numb after a few minutes of walking or standing. I did have X-rays earlier this week. I hope that there is an easy solution to these problems as I do not have time to be laid up from surgery.

Once again I have not had as much time to spend on the **Shockey Family database** as what I would like. (It seems like the day, weeks and months are all becoming shorter.) I do add to the data as time permits. It is always a really big help when family show up at annual reunion with their branch of the family prepared and with a GEDCOM to make the import of the data easy. Having your database well documented will bring big smiles from any genealogist.

Remember to bring your family photographs that can be scanned and entered into the database. If you do not have a database that can be exported by a GEDCOM, at least be sure to bring additions or corrections to the reunion. Make notes of dates and places in order to insure that we enter the correct information. Too much information is always better than not enough.

# SHOCKEY DNA Project

By:

Lesley Shockey

The **SHOCKEY** DNA Project is part of the Family Tree DNA. Descendants who carry the bloodlines from John Christopher **Shockey** belong to **Haplogroup Q** (most likely **Q1b1a** subclade) which is quite rare in comparison to other groups.

We now have forty seven members in the **Shockey** DNA Project. Of these, thirty one men have their DNA tested and twenty are males with either the Shockey surname or persons who match the Shockey DNA. There are at least nine women who were born with the Shockey surname and have taken part in the mtDNA testing. There are twenty in the group that have taken advantage of the Family Finder test, ten men and ten women. However two of the women have ordered kits recently and their results are not back as of today when I am writing this article.

There are now five family members who have taken advantage of the Y-DNA 111 marker test. We do have twenty five who have tested the Y-DNA 67 marker test. Due to a change in the Deep Clade testing, they now only consider one to have taken the test instead of the six that was listed for the Deep Clade test before. All the Shockey males that have tested at least 67 markers are showing a Haplogroup of Q-M378. Dennis and I have tested for the sub Haplogroup Q-L245 and both tests were positive. I have now ordered the F1680 test to refine these results even more. I should know before the reunion the results of this.

You can become a member of the **SHOCKEY** DNA Project by sending me an e-mail requesting the form link and I will email you a message with a clickable link, or you can visit the FamilyTreeDNA page and enter the **Shockey** surname:

My e-mail address **LesShockey@frontier.com**

The cost of the various DNA tests continues to drop as more people join the testing. Details of the test kit can be seen on the following page.

## Obituaries

The following section is devoted to the **SHOCKEY** family members who are no longer with us. It is a way for us to pay our last respects to the family members and as a memorial that we would not otherwise be able to offer. If any are missed it is because no one sent a copy to Marie or me. Our mailing addresses are shown on the cover page of the newsletter and our email addresses appear in various places.

If you would like to see more articles about the lives of our **SHOCKEY** cousins, you need to send them to one of us. Using email makes it easier but most articles sent in will be included either way.

### Richard Allen "Dick" Funke, 66

Richard Allen "Dick" Funke, March 1, 1947 November 11, 2013. Dick Funke, dog lover, recreational pilot, do-it-yourself man (stubborn but always right), impatient driver and despiser of anything eggplant, passed away on Monday, November 11, 2013 at the age of 66.

Not for the faint of heart, Dick was a man of great passion and intensity. After attending Yale University he joined the workforce, was a First Scholar and obtained his MBA at University of Chicago. He was both practical and idealistic which was reflected in his leadership of his municipal bond company. He was an exceptional forward thinker. His insatiable curiosity for new challenges led him to great heights and while he was often a bit of a challenge himself, he was deeply loved by all that knew him. Dick was never fully able to wrinkle his impossibly large nose, though he tried (and failed) often. Known for occasionally dancing like an Egyptian, impersonating a wide-mouthed frog, or giving out casual "pinchadoodies," he

was a man that lived and preached his own motto "Some people get the joke and some people just don't."

For those overcome by sadness and loss, stop right there. "Suck it up," he would always say. Understand that there is so much life to live and Dick did a wonderful job of living it right up until the end. He never gave up, and he certainly inspired his family and friends to do the same. If anything, Dick was always a man who pushed those he loved to be the best versions of themselves.

He was the beloved son of Gene and Mabel Funke and is survived by six children who all take after him in their own ways. From his marriage to Julie Ann Carroll, he fathered four children, Court (Lisa), Jordan, Moira (Paul), and Morgan. He later went on to marry Margot **Shockey** and had two more children, Eugene **Shockey** and Mary Ellen Martha. He was Grandpa to Grace and Lilly and Babu to Marley Asha.

He was preceded in death by his beloved dog, Sophie. A memorial party will be held at Skokie Country Club Saturday, December 7 from 4:00 p.m. - 6:00 p.m. In lieu of flowers, the family asks that you make a donation to the Leelanau Conservancy in Leland, Michigan. PO Box 1007, Leland, MI, 49654 or <http://leelanauconservancy.org/donate/>

### **David Lee Stewart, 59**

Sept 21, 1955 - Oct 3, 2014

David Lee Stewart passed away Friday Oct 3, 2014, at his home in Ceres and entered into the presence of God. He was 59. Born and raised in Ceres, after graduation from Ceres High School, Dave enlisted in the military, serving in the United States Air Force. After marriage, he and former wife, Sheila, began their family in Ripon, CA where they were residents for several years.

David worked in many different aspects of construction and was experienced in various construction trades, such as masonry, concrete and electrical. He was also a skilled fork-lift driver. But his primary vocation was that of mechanic --- and he was a natural.

His curiosity, about all things, began early in his life. His incessant questions most often pertained to how something worked. He was 4 yrs. old when he asked "Is there a switch that turns on the moon?" On his first day of school, the bus driver had to bring him home, as he didn't get off at any of the stops. He simply explained, "I like riding the bus." Dave's interests and hobbies were simple. If it ran on gas and had wheels he wanted to drive it or ride it...the faster the better, and he loved driving his 1932 Ford Roadster. He also loved to water ski, perfecting his 'step-start' so he didn't have to get into the cold water. He was an avid fan of

NASCAR and Moto GP racing. But foremost, he was a lifelong, devoted fan of the San Francisco 49'ers. Chess was a favorite game, and The History Channel was his "go-to" TV.

David was a fun-loving person who always had a smile on his face, earning him the nickname 'Smiley'. A co-worker was once overheard complaining, "Does he always have to be so happy?" Like many of us, David had struggled in his life, and didn't always make the best choices, but he was a good man with a kind and gentle spirit. David was a loving father, loyal friend to many and was always willing to help someone in need.

He is survived by his children; Jaime Newton of Georgetown, TX; Sherri **Shockey** of Ripon; Sean Stewart of Modesto; and soon to be 6 grandchildren; parents, Polly Steinpress of Modesto and Herman Stewart of Ceres; sisters Sharilyn Borrelli, Pam Stewart and Grandmother Letha Thomas, all of Modesto; step brothers Martin and Wayne Steinpress; David was preceded in death by step-father Irwin Steinpress; Grandfather Cleveland Thomas and Grandmother Mary Stewart.

Services will be held at Salas Brothers Funeral Chapel, 419 Scenic Drive, Thurs. Oct 9, at 10:00 a.m. Internment will follow at Lakewood Memorial Park. There will be viewing Wed. evening, Oct 8 from 5:00 - 8:00 p.m.

A gathering of family and friends will be at David's home, 1904 Poppy Ln, Ceres, following the internment.

#### **Larry Ray Brown, 67, Vancouver, WA**

Larry Ray Brown, passed away at his home in Vancouver, WA on Nov. 6, 2014. He was born Jan. 5, 1947 to Leroy and Imogene (Hawkins) Colby in Vancouver, WA. He was adopted by his step-father, Robert Hylla. Then after the death of his mother (1959), he was adopted by his Aunt and Uncle, Donald and Marjorie (Hawkins) Brown. Larry graduated from Fort Vancouver High School in 1966, where he lettered in football, track and wrestling. Many classmates were dear friends his entire life.

He was an Eagle Scout and served as a Scout Master while stationed in the Air Force in Germany. He served 16 years in the USAF, ending up as a Supply Officer and worked with nuclear weapons.

Larry worked much of his life as a carpenter. He and his brother Lon built several new homes and helped to rebuild the south entrance to the Grand Canyon. Larry started working in housekeeping at the VA hospitals in Portland, OR and Vancouver, WA. He later became the locksmith at both facilities, working with a new

computerized system. One of the projects he worked on for the VA was building a sweat lodge for Native American Veterans.

Larry loved dressing in costumes and won several Halloween costume contests at the VA. He was a dashing pirate, a heck of a tooth fairy, a cereal killer, a mad doctor and a very ugly bearded woman to name a few.

Everyone who knew Larry knows he had strong and very vocal political views. He was a firm believer in unions and protecting the middle class and workers rights. He was well known to protest with signs and marchers anything he thought was unfair.

Larry loved bowling, playing online poker, and gardening. He grew 83 types of hot peppers and challenged relatives and friends to hot pepper eating contests earning him the nickname "Pepperman". He was the president of the Minnehaha Neighborhood Association for two years and took an active interest in his neighborhood. He was an avid photographer, always snapping pictures of family, friends and places.

Of all the things in his life, his family, especially his grandchildren, were the most valued. Larry loved to take the grandkids Christmas tree hunting, let them sit in the front seat of his 1958 Pontiac Superchief pretending they were driving. He let them shampoo his hair and played with them until they fell asleep on his chest in his recliner (he was usually sleeping too). Larry would take each of them home individually for the weekend so that they all had the chance of being the "special" grandchild for a weekend. His favorite cake was wedding cake which may explain why he was married five times.

Larry is survived by his companion and best friend, B.J. Berry; former wife, Nancy Wagoner Christner; step-son, Jason Christner; grandchildren, Magnus, Isabella and Abram Christner; siblings, (natural and adoptive), Lon Brown, Susan (Mark) Million, Sandra Dobratz, Nancy (Stephen) **Shockey**, Tim (Debbie) Hylla, Ralph Hawkins, Connie Leavell, Helen Morgan, JoAnne Carls, Barbara Hylla; and William Hylla, a nephew he and Nancy raised from age 14.

Larry will be interred at Willamette National Cemetery in Portland, OR on Fri., Nov. 21st at 10:00 a.m. There will be a short ceremony ending with a Military Honor Guard. A Celebration of Life will be held after the Thanksgiving holiday.
