Shockey Cousins and Friends

Hello cousins!

I always hate finding out when a cousin has passed that I know. I felt devastated when Bud informed me of Paul's passing. Paul was always such a big presence at the reunions with his fun loving sarcastic ways. I'll miss the joking around that we always did with each other. Mom and I went up for the funeral. We met up with Will at the viewing and ate dinner. The next day after the funeral mom and I went to the ice cream place they mentioned he always took family to, Jimmie Cone, and enjoyed their Banana Boat.

As I wrote last year I started going back to school for a Bachelor's in English and Creative Writing with a concentration in Fiction and a minor in Graphic Design. I am happy to state my grades have been great and I was nominated to the National Society of Leaders and Success (NSLS) on which I was inducted on 1 Sep 2023. I was also named to the SNHU President's List - Summer 2023.

Right before the last newsletter I started talking with the moderators of the Shockey Roots group on Facebook and we decided to create a Shockey Genealogy Committee which was approved at the 2023 reunion. We added at least four others who were interested in helping with the research to better flesh out certain ancestors as well as correct and corroborate information that has been published. The hope is to get information corrected out on the web and in our own personal trees. At the moment we are taking our time to work on each of the children of Johann. First up was Abraham then Christopher, and John. Once the committee has felt we have done everything we can, we then put it to the Shockey Roots group for input before making it final. PDF's of our final research are located on the website. (www.shockeyfamilyfellowshipinc.com)

The Shockey (all spellings, in-laws, etc) database is up to **70,756** people as of the publishing of this newsletter which means we have added **7,740** more people since the last one. Out of that number there are **58,950** Shockey's of our tree (no in laws - except spouses; or other spellings). The Facebook group Shockey Roots is up to **1,127** members which is very exciting! Lisa Bowen has found some additional information that I will try to upload to the main Shockey website at some point when I have a break in school work.

I am slowly working on a few Airtables that will be linked to the main website as well that will show FindAGrave memorials (who is who, etc) as well as what I like to call the Box of Papers. The Box of Papers will be links and citations to documents for each line. This has been put on hold a bit as I have to sort out the Abraham info from Valentine's folders and switch things around.

Love your cousin,
Charlotte Shockey

4 July 2023

Hello cousins,

I hope this finds you doing well. We had an awesome reunion in San Antonio, thanks for coming. I want to say thanks to Wayne and Theresa for hosting us, they did a great job. We encountered a few hiccups, but overall the reunion was great. It was good to see so many cousins. We had approximately 30-40 in attendance, from Arkansas, Texas, Georgia, Idaho, Arizona, Colorado. We had a few newcomers, which is always great to see. Make plans to join us in Fort Collins, Colorado in 2024, the dates are July 4-8.

Thanks and God Bless!
David L. Shockey - Vice President

2023 Shockey Family Reunion

Those who attended throughout the reunion if not the full time were: David and Toni Shockey from Arkansas; Gerald Shockey from Texas; Wayne and Theresa Vincent from Texas; Carol and Charlotte Shockey from Georgia; Bud Roseberry from Idaho; Valerie Shockey Clark and grandson, JJ Lamping from Colorado; Richard and Sharon Davis from Texas; Marinell Miller from Texas; Jackie Miller Jr from Texas; Rhonda and Bart Windsor from Texas; Nancy and Stephen Shockey from New Mexico; Michelle, Andrew and Bradley Shockey from Georgia; Chelsea, Kaleb, and Rowan Parkinson from Texas; Diane and Jerry Lunow, their granddaughter, Pio from Texas; Katelyn Vincent from Texas; Stacie and Asher Briggs from Texas.

Those who attended via Zoom were: Sarah Sears from Indiana; Ralph Shockey from Canada; Marcy Belles from Washington; Keith and Cathy Shockey from Ohio; Will Shockey from Maryland, Jeffrey Niles from Iowa, and Lisa Bowen from Virginia.

Even though the temps were hot in Texas everyone that came had a great time. Some went to Fredericksburg and Luckenbach on Friday, a few of those were able to see Wayne's cabin and his huge wood workshop. Saturday we all went to the Alamo for a group tour with Wayne leading. Even got to see a few spots that are marked off to normal people coming in. After lunch others went to the Spanish Missions National Park. Sunday marked our lunch made by Marinell and her family which included an amazing brisket to eat. Followed by a general meeting (notes to follow below) and a group photo. The spring to wade in was chilly but a bit refreshing.

Minutes of the Shockey Family Reunion General Meeting San Antonio TX July 2, 2023

David Shockey, Vice-President, opened the meeting and welcomed those in attendance. Charlotte Shockey played a recording of Maggie's bell.

David Shockey, Chaplain, led the opening prayer.

Secretary/Treasurer Report:

The minutes for the 2023 Board Meeting were ready by Secretary Toni Shockey. Bud Roseberry made a motion to approve the minutes and Charlotte Shockey second the motion. Motion carried.

Toni Shockey presented the treasurer's report. The Bank of America account has been opened and all funds have been combined with the Wells Fargo account being closed out. The beginning balance: \$3,129.37 (Wells Fargo \$1,903.37 & net funds from 2022 reunion \$1,226.00). Charlotte Shockey made a motion to accept the report as provided and Bud Roseberry second the motion. Motion carried.

Mention was made that although the bank offers Zelle at no charge, recent events show that the banks do not stand behind any transfers that do not make it from one bank to the other. The board decided to stay with PayPal.

Newsletter & Genealogist:

Charlotte Shockey states that 91 newsletter pages were available on the website with the majority of the pages being obituaries. The Genealogist report is attached. Mention was made that by approving the report we are approving the committee formed. The report was amended to indicate Andrew Shockey would be working with Charlotte Shockey to find the best way to store data. Wayne Vincent made a motion to approve the reports and Bud Roseberry second the motion. Motion carried.

Reunion Locations:

The board members recommend we begin coming to Winchester every three years. The following invitations have been accepted pending approval by the General Assembly:

- 2024 in Fort Collins, CO with Valerie Clark as hostess
- 2025 in Winchester, VA 50th anniversary

These locations were approved at the 2022 reunion. Suggestions for future reunions are Maine and Tennessee.

501 C-3:

Wayne Shockey looked into the requirements for a 501 C-3 advising that it could take some time to set up. Toni Shockey advised that Ronda Windsor has a 501 C-3 already set up that she is willing to use for the Shockey Foundation. Toni Shockey made a motion to move forward with Rhonda's 501 C-3 and keep the Board updated on the process. Charlotte Shockey second the motion. Motion carried. May need to set up a Federal EIN.

Digital Red Books:

The Board discussed permission to create a digital version of the Red Book. Once clearance is granted by Ralph Shockey and David Shockey - the heirs of Ralph and Marie Shockey - the Board will proceed with the plans. Discussion of selling the USB drives as merchandise items for \$15 was mentioned. Will advised that he would focus on getting approval this coming year.

Board Member transitions:

Stacie George Briggs was presented as a new board member. Charlotte Shockey made a motion to place her on the board and Andrew Shockey second the motion. Motion carried.

Reminder to be brought before the General Assembly:

- T-shirt design contest for the 50th anniversary. The design will need to be submitted by the 2024 reunion.
- Sale of decorated water bottles as donations for the church bathroom fund began during the 2023 reunion.

Charlotte Shockey announced the raffle winners:

- Shockey Quilt – Shirley Huffman Killingsworth
- Cutting Board – Bud Roseberry

Bud Roseberry motioned to adjourn and Charlotte Shockey second the motion. Motion carried.

Respectfully submitted,

Toni Shockey, Secretary/Treasurer

SHOCKEY Family Email List

I've started a new email group since we were unable to get into the old one. Please feel free to ask to join and we can get the group rolling. I'd like to add those who aren't on Facebook that want to help with researching, updates for the tree or letting everyone know of updates, etc.

Also, if you are not in the Shockey Roots group on Facebook, I send out links for the monthly zoom meetings to this email as well.

Posts to the list should be addressed to: shockey-families@googlegroups.com

SHOCKEY-SCHACKE DNA PROJECT

We have so much information coming thanks to Jeff Niles that I had to create a separate Newsletter just for the DNA information he figured out from the Y-DNA. I am happy to announce the publication of our second DNA Newsletter will be in the next month or so. Link can be found on the website under newsletters: <https://shockeyfamilyfellowshipinc.com/newsletters> I will send out an announcement when it is available.

We have lines that we need testers for which will be in the newsletter. Also, trying to figure out lines via autosomal DNA as well so females can still participate.

**Also, thanks to several Big Y tests that have come in we now have a switch in the family tree. Please see this link to read more about it:

<https://shockeyfamilyfellowshipinc.com/wp-content/uploads/2023/12/Abraham-SHOCKEY-1755-update.pdf>

You can find the **SHOCKEY-SCHACKE DNA Project** at:

<https://www.familytreedna.com/groups/shockey-schacke/about>

GEDMatch Ancestor Project is Shockey - Schacke - Jaggi - Jacky - Jacob.

Also, if you have **AncestryDNA** we would love it if you could download your raw DNA and upload to FTDNA as well as GEDMatch. Then invite Jeff to your AncestryDNA to check out the Thrulines. Instructions on all are in the newsletter at the back.

We are also looking for donations to help pay the costs for some testers, please see the donation button listed on the FamilyTreeDNA project page. Later in the year I plan to sell DNA Ornaments to go towards the DNA Donations for tests. So please keep an eye out on the Shockey Roots page as well as the email group.

Below are the areas we are looking to get Y-DNA tested at.

Valentine (1739-1810)

- **2 Y-111 tests for Valentine Jr. (c.1756 - c.1800)**
- **2 Y-111 tests for Isaac (c.1762 - c.1817)**
- **1 Y-111 test for Joseph (c.1775-1861)** (sons other than Samuel) will help us see if variant DYS510=16 happened with Joseph himself or later on one of his lines. This could potentially be a marker that identifies the family of Valentine. In particular, we would love to see a test from the line of his son, Daniel.
- **1 Y-111 test for Christian (1756-1829)**
 - Basic goals met, but eventually we'd love to see each son represented.
 - 1 Y-111 test for William (1786-1870) - Could John Valentine be his son?
 - 1 Y-111 test for Abraham (1788/93-1863) - Is he Christian or Abraham's son? A test from this line could solve the mystery of his parentage.

- 1 Y-111 test for Levi (1797-1868)
- **Goals met for Abraham (1755-1861)**
 - Goals met, but more testing will give greater depth
 - Note that this reflects the Abraham swap that was made in 2023
- **Tests from other lineages** might help confirm whether these other rumored lines are real or not (Edward, Elisha, and Lewis Shockey)

John (c.1742 - c.1822)

- **2 Y-111 tests for Jacob Sr. (c.1762 - c.1818)**
- **1 Y-111 test for John Jr. (1764-1837)** (sons other than Jacob) will help us see if variant DYS534=16 happened with John Jr., himself, or later on one of his lines. This could potentially be a marker that identifies the family of John.
- **1 Y-111 test for Lewis (c.1782-1852)** (sons other than Robert) will help us see if variant DYS461=15 happened with Lewis himself or later on Robert's line.
- **2 Y-111 tests for Lewis (c.1784)**

Jacob Sr. (c.1749-1803)

- **2 Big Y-700 tests**
- **2 Y-111 tests for Jacob Jr. (1770-1833)**
- **2 Y-111 test for Isaac (c.1774 - c.1843)** - currently have 1 Y-67 test
- **2 Y-111 test for Christian (1775-1863)** - currently have 1 Y-67 test

Isaac Sr. (1752-1801)

- **1 Big Y-700 & 1 Y-111 test for Abraham Sr. (1771-1846)** - currently have 1 Y-67 test
- **1 Y-111 test for Isaac Jr. (1773-1844)**

Abraham Sr. (c.1754-1782) - This is one of two untested lines

- **1 Big Y-700 & 1 Y-111 test for Christian (c.1778-1834)**
- **1 Big Y-700 test for Abraham (c.1784-1865; of Beaver, PA)** would help confirm if he was Abraham's son and born earlier, if he was the son of Abraham's widow but from another family, or if he was from a different Shockey family
- Note that this reflects the Abraham swap that was made in 2023

Christopher (Bef.1755-1779)

- **1 Big Y-700 & 1 Y-111 test for John (c.1771-1859)**
- **1 Big Y-700 & 1 Y-111 test for Henry (1780-1859)** even a Y-67 test from the line of Henry would help us see if variant DYS481=25 happened with Christopher himself or only on John's line. This could potentially be a marker that identifies the family of Christopher. Testing Henry's line will also help establish the parentage of Daniel Shockey (c.1795-1886)
- **A grant is available for someone willing to test for Christopher's lineage**

Samuel Christian (1774 - c.1867) - This is one of two untested lines

1 Big Y-700 & 1 Y-111 test for Abraham (c.1808-1838)

GRADUATIONS & ACHIEVEMENTS

Raeann Shockey on 18 Apr 2023: “I was awarded for excellence today, I was chosen out of my entire Battalion for this award. My commander came up to me to let me know he was impressed with my dedication and hard work along with how I held myself as a lower enlisted soldier. He said I was up for the award but wasn’t sure if I’d get chosen. Safe to say, I did in fact get chosen! Col. McCormack and Col. Moon came up to me, to let me know they saw who I was in the line up of recipients. I was the only female and the lowest ranking. They both shook my hand and said they wanted to see more of what I could do. I was shaking like a leaf. I was so nervous! I’ve heard all about these leaders and couldn’t believe I was actually meeting them! Then it was time to meet the man of

the hour, General Andrew Poppas arrived and my heart was about to fall out of my chest. He went on down the line shaking everyone’s hand giving them a coin. He got to me and he shook my hand and I was just smiling from ear to ear! My Sgt gave a brief word about why I was being recognized. He gave me a reassuring nod and I couldn’t help but smile. He asked why I chose to be a tanker, I said with confidence. I heard there were not many females in this field, so I wanted to see if I couldn’t change that and give myself a challenge to prove myself as a Female. He responded “ Safe to say you’re doing more than just proving yourself, your hard work is showing” My 7 year old self would be SO DAMN PROUD OF ME NOW! I’m making waves and I’m only just getting started!

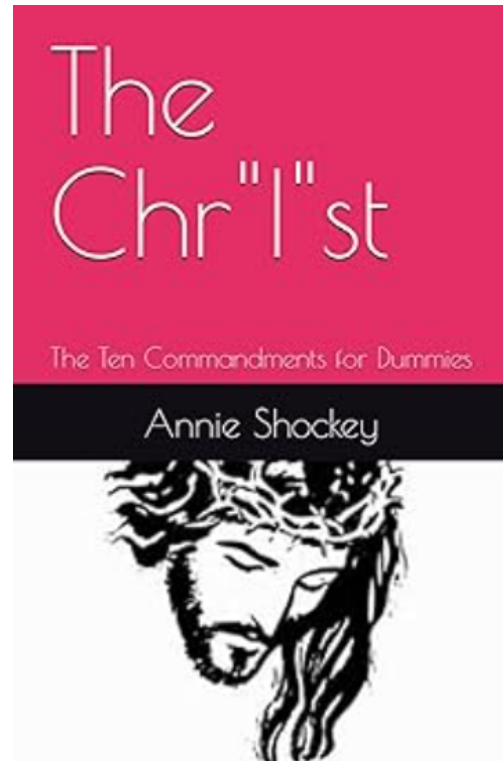

Layla Shockey bridged from Brownies to Juniors at Girl Scouts. The biggest surprise is one that is rarely awarded to Brownies. Layla was awarded the Silver award from the President of the United States for Volunteer Service to our country. Besides a letter from the President she also received a certificate and Presidential pin of recognition. Daughter of Chris and Cynthia (Geppi) Shockey.

Abigail Niles, daughter of Jeffrey and Angela (Jones) Niles, has traveled to Craiova, Romania for Missionary work. If you would like to send her any funds to help out here’s the [link](#). She will be there until 2026.

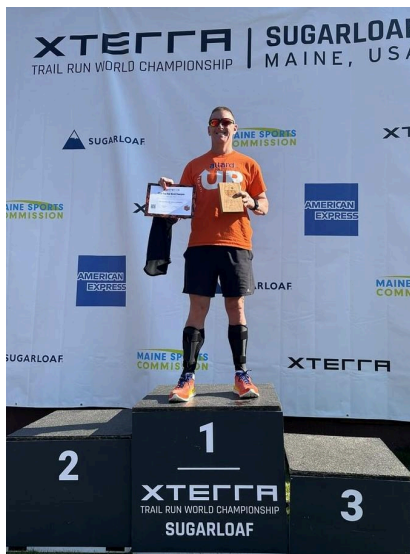

Ethan Recher has enlisted in the Army in Aug 2023 to follow in his papa George's footsteps. Son of Steven and Charlotte (Shockey) Recher. Grandson of George and Carolyn (Waters) Shockey. Descendant of Christopher Shockey.

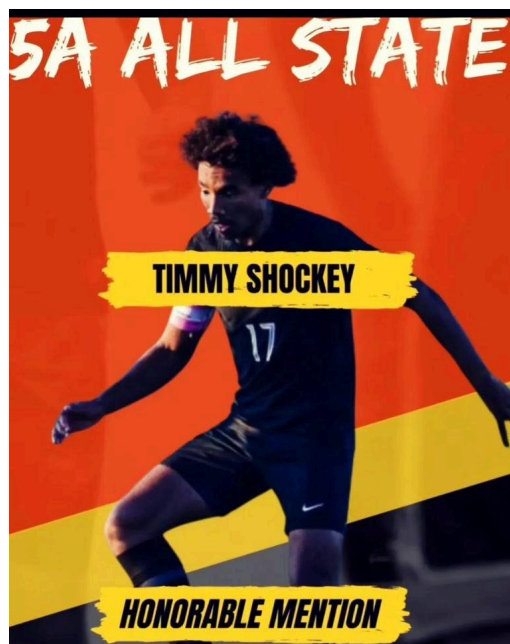

The Chr'I'st: The Ten Commandments for Dummies by Annie Shockey is out on Amazon ([link](#)) from 27 Jan 2024.

Theresa Vincent brought home two Honorable Mentions at her first plein air competition during the Buda Arts Festival in Sept 2023.

Craig Vogtsberger placed 1st at the Xterra 21k Trail Run World Championship on 1 Oct 2023.

Alton Benard Fouche', beloved husband, father, grandfather, great-grandfather, brother, and a friend made his transition on April 25, 2023. Alton was born in Benton, Mississippi to the union of Mr. and Mrs. Benard and Velma (Johnson) Fouche' on September 15, 1933. He was the second oldest of six children. Alton attended St. Francis Catholic School in Yazoo City, Mississippi. Alton completed high school in Decatur, MI, and went to trade school. Alton served in the United States Army for several years and received an honorable discharge.

On June 14, 1958. Alton married Betty (Gordon) of Detroit. They have 5 children from this union: Michael, Kathleen, David, Janet, and Jacqueline. They have six granddaughters and three great-grandchildren. They remained friends through the years and celebrated all family events together. They became each other's confidantes, especially in important family matters.

Alton graduated from the Detroit Institute of Technology, and he joined the Post Office as one of the first black electronic technicians. Alton repaired televisions on the side including those belonging to Mayor Jerome Cavanagh, singer Jackie Wilson and Minister C L Franklin. He was known affectionately as "Al" among his friends. Al's career began with the United States Post Office in 1957 as a maintenance employee on Fort Street. He retired from the postal office in 1990.

Although Al retired from the Post Office, he remained active in the Postal Union. Al has always believed in Unions. Al worked with the late Congressman John Conyers to bring the first breaks to the Post Office. He was the President of the National Association Post Office Maintenance Employees until they merged with the other unions to create the APWU-Detroit District Area Local in 1971. After the merger of the APWU, Al served as Executive Vice President, Secretary, Treasurer, and Maintenance Craft Director of the Detroit local. He was also a National Officer serving as a National Business Agent for the Central Region Maintenance Craft. In 1980, the APWU-Detroit District Area Local hosted the Fifth Biennial Convention August 3-8, 1980, and Al served as Special events and Children's Activities Chairman. Alton looked forward to the holidays, family events, and birthday celebrations with his family. He was delighted by the gourmet meals Janet prepared for him weekly.

Alton remained in Gesu Parish where all his children attended Gesu Elementary School. Alton loved to spend time with his family. Alton loved being busy and active. He was passionate about getting on the treadmill daily. Alton was active in the American Legion. When Alton retired in 1990, David and Alton formed a father-son residential and commercial paint company and later a construction business. They worked together for years.

Alton enjoyed traveling (our parents traveled the world early on), dining out, home cooking, gardening, fishing, collecting stamps & coins, and playing the lottery (often lucky). Alton traveled over 21 years, destination Orlando Florida and various locations around Florida and the Caribbean Islands. He made it a point to share quality visits with his daughter Jacqueline when she moved down to Tampa, Florida. He also made it a point to always stop and visit his sisters Merlene Fouche and Vera Stokes in Atlanta Georgia, along with an array of nieces, nephews and family friends.

In Michigan he loved making contributions to numerous family dinners with his own immediate family along with his sister Ola (Stephen) Hayes's and brother Lenard. We had many enjoyable mini family reunions to whoever came in town, this has always been the highlight of "our" family times.

Alton enjoyed watching old movies, particularly Western and action films. Alton loved jazz and the blues. He looked forward to the Annual Jazz Festival. Alton also liked watching sports and keeping up with the political climate in this country. Alton once owned a dairy queen with the late Ed Coleman. His eldest two children had their first employment experience at the dairy queen and most of his children worked at the post office for interval periods. Make No Mistake - like Sinatra- he did life his way.

Rest in Peace

The LORD is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD forever.

CARL W SHOCKEY

Carl William Shockey, 88, of Romney, passed away at home surrounded by his loving family on Monday, May 15, 2023.

Carl was born on Sept. 22, 1934, to the late William "Bill" Shockey and Nettie (Kesner) Shockey. Also preceding him in death are 4 brothers, Arley, Daily, Harmon and Victor Shockey; and 2 sisters, Edith Dean and Arbula Slonaker. Carl is survived by his beloved wife of 43 years, Donna J. (Jackson) Shockey; one son, Stephen A. Shockey (DebraDawn) of Hemet, Calif.; one daughter, Lois Lambert of Romney; a bonus son, Troy Jackson (Betty) of Augusta; 4 grandchildren, Victoria, Alexander and Theodore Shockey of Hemet and Matthew Lambert of Berkley Springs; 2 bonus grandchildren, Katie Jackson Vance (Ben) of Seneca Rocks and Holly Jackson Risen (Adam) of Stephens City; 2 great-grandchildren, Karmen and Dallas Lambert of Berkley Springs; and a bonus great-grandchild, Emma Grace Risen of Stephens City. In addition, he is survived by one sister, Retha Wise of Shanks; 3 sisters-in-law, Patty Shockey, Kitty Shockey and Betty Corbin, all of Romney; a special little girl, Mandy Baber of Bruceton Mills; and countless nieces, nephews, cousins, friends and neighbors.

Carl met the love of his life, Donna, at Hampshire Memorial Hospital in July 1979 and in December of that year, they were married. Like many others, Carl never had the opportunity to finish school. In 1986, while working two jobs, Carl was able to earn his GED from Hampshire High School. This was something he had thought about a lot because it mattered to him, so this was a very proud time for Carl and his family. Many will remember Carl from Hampshire Memorial Hospital, where he worked as an orderly. He was also a houseparent for students at the West Virginia Schools for the Deaf and the Blind. After many years, he proudly retired from both. Carl was not a fancy person. He was happy to have on a pair of jeans and a flannel shirt most days. He was never concerned about anything for himself, rather his thoughts were on helping others. The man never met a stranger and spent his life caring for other people.

Carl enjoyed gardening, hunting, and anything to do with the outdoors. He was also a fan of country music and enjoyed the older songs of Merle Haggard, George Jones, and the like. No matter what he was doing, you could always hear him singing one of their tunes.

The family wishes to thank Hospice of the Panhandle for their excellent care and the staff at Shenandoah Oncology in Winchester for their care and concern during his illness. Also, many thanks to our nephew, Elby, for taking Carl to all of his treatments, our neighbor, Donnie, for taking care of the lawn, and Shaffer Funeral Home for all their help.

Friends will be received Friday, May 19, 2023, at Shaffer Funeral Home from 11 a.m. to 1 p.m. A funeral service officiated by Pastor Tom Rowan will begin at 1 p.m., with interment at Ebenezer Cemetery in Romney immediately to follow.

In lieu of flowers, please consider making a donation to your favorite charity in Carl's memory. Arrangements are by Shaffer Funeral Home, Romney.

TRACEY LYNN SHOCKEY

We are devastated to announce the passing of Tracey Lynn Shockey, 54, of Germantown, Ohio. Tracey peacefully left us on May 21, 2023, after a valiant battle with small cell lung cancer. She entered every room with a smile and she left the same way. Even though she was suffering, she never stopped smiling.

She is preceded in death by her daughter in law and friend, Rochelle Lee Shockey Foster. She is survived by her loving husband Michael Ray Shockey and her two sons whom she loved dearly, Noah Riley Jirka and Killian Paul Jirka. She is also survived by her beloved parents, Dale and Maryann Brejje of Collinsville, IL, and her sister and friend Laurie Clarkson "Thithy", and her beloved brother in law Joe Clarkson from Troy, MO. She found great joy in her niece ("nieces to pieces"), Heather Potter (husband Tyler Potter), Matthew Clarkson, Michael Clarkson, and Brendan Clarkson. She thought her great nephew, Emmet Potter, was just the cutest and was excited to meet her new great nephew arriving in November, her "Birthday" month.

She burst into this world on November 29, 1968, in Belleville, IL, the day after Thanksgiving, a holiday to be celebrated with family. It was a day that all who loved her are thankful. She began celebrating life surrounded by loving people and gathered more friends as she danced through her life.

As a child, Tracey was always laughing and smiling. Life was her canvas. She found the stories and humor in our world and found joy in God's creation. She chased butterflies, collected rocks, and enjoyed the beauty in the world around her. Her beauty always shone in the light of her eyes and the brightness of her smile. She never lost that loving and joyful face.

She was a successful salesperson. She graduated from SIU Carbondale with a psychology degree and hit the ground running. Her love of people directed her towards a passion for sales. She could sell you a bridge in Tucson, Arizona. She had the "gift of gab", and her customers loved her annual chocolate chip cookies and she loved them. She was a social butterfly and a merrymaker. She made friends wherever she went.

Her true passion in life was creating. Tracey began as a representative for Stampin Up and then advanced to creating her own vintage card making styles. These were the seeds planted for her beautiful watercolor designs. Her watercolors depicted important places loved by family and the beautiful views of nature, especially her beloved sunflowers.

Spending time with her husband on a weekend drive and with their Bo's family filled her heart with joy and wonder. She loved her boys with all her heart and looked forward to every visit. She enjoyed every family gathering. Tracey was a gentle soul with one of the kindest hearts that ever lived. Tracey's unending optimism spread joy and rays of sunshine in the lives of everyone who knew her. We will miss her very much.

In lieu of flowers, make a donation in Tracey's memory to the Lung Foundation of America at www.lcfamerica.org

LOUISE J SHOCKEY

In Loving Memory ~ On September 21, 2023, Louise Shockey, (b. 1957) returned to the place she came from...Heaven.

Most people knew our beautiful Louise from a friendly chat at a trade show, a chance meeting at Thrifty's or from the yoga or dance classes she taught for 30 years, but those meetings were enough for those who met her, to recognize that she had a unique way of making everyone around her feel good...simply through her presence.

She "saw" everyone.

But only those close to her, family and friends truly understood what a remarkable woman she was. At once supportive but also, fiercely independent, and talented.

Although she was an international model, movie actress, performer with Les Ballet Jazz and Les Ballet Russ, television host and accomplished singer, Louise's greatest goal in life, was to be the best friend to her one true love, best mother to her two children and best "Nana" to her four grandchildren.

She accomplished her goal.

Those close to her, her husband of 39 years, Jim and their two children, Branlin and Eva and their four children, Leni Bow, Flynn, Boone and Wilder, had time to prepare for this eventuality, but also know they can never really prepare for the days and years ahead without their soulmate, their mother and their precious Nana Weezy.

Louise's family finds solace in having had this angel on earth a part of their life for so long; they have been truly blessed.

The world was never meant for one as beautiful as Louise Shockey.

In lieu of flowers, the family would ask you to consider making a donation to the Cowichan District Hospital Foundation, a cause that Louise was passionate about and supported for many years.

LINDA MARIE BELL

Linda Marie Bell, 74, of Elk City, Oklahoma was born on July 13, 1949 at Tisdale Hospital in Elk City, Oklahoma weighing in at eleven pounds and only twenty inches long. She is the daughter of Alvin Warren Bell and Martha Ellen (**Shockey**) Bell.

The Lord called Linda to sit beside the throne of her Lord and Savior on Monday, October 9, 2023 at Bell Avenue Nursing Home, Elk City, Oklahoma.

Both of Linda's parents worked at the Tisdale Hospital and there was a lot of excitement over the birth of their daughter. Linda grew up in Elk City and lived her whole life on or near Madison Street. Because St. Joseph's Catholic School was closer to home, Linda's mother decided it would be safer for her children to walk there to school until they were old enough to attend Elk City Junior High and later Elk City High School where Linda graduated in the Spring of 1967.

Linda had a great love for animals, especially her beloved dogs, Misty, Spot, Goldie, and Red Dog. Her greatest pride was her horse Pokey, that she rode in the Elk City Rodeo of Champions Parade and The Grand Entry at the Rodeo.

Linda loved going on treasure hunts with her brother, Eugene and brought back many unbelievable finds such as petrified logs and arrowheads. Just about anything they could carry to the car.

After graduation Linda held various jobs, but the first official position was at the Elk City Pants Factory. Later, Linda commuted to Clinton and worked over fifteen years at the Kellwood Manufacturing Company as a seamstress. Due to

Linda's hard work she was able to purchase her own home which was located in her old neighborhood where she lived until her health failed in February of 2022, when she moved to Bell Avenue Nursing Center in Elk City, Oklahoma.

Linda joined and was baptized at the First Baptist Church of Elk City in the Fall of 2013, where she faithfully attended until her health failed. She will be greatly missed by her friends at the Church and Homeland.

Funeral services will be held at 2:00 p.m., Friday, October 13, 2023 at First Baptist Church Chapel, Elk City, Oklahoma, Perry Bronn will officiate. Interment will be at Dewey Cemetery, Strong City, Oklahoma. Services have been entrusted to the care of Richard and Tammy Dugger and the staff of Martin-Dugger Funeral Home in Elk City, Oklahoma.

Cherishing her memory is her niece, Millie Jean Bell; and one sister-in-law, Emilia Bell both of Elk City, Oklahoma; and a host of cousins and friends.

Linda is preceded in death by her parents, Alvin Warren Bell and Martha Bell Johnston; and her step-father, Lonnie Joe Johnston; one brother, Cecil Eugene Bell;.

Memorials can be made to charity of choice in care of Martin-Dugger Funeral Home, P.O. Box 707, Elk City, Oklahoma 73648.

We invite you to leave a message of condolence, expression of sympathy or perhaps share a memory of Linda at www.martin-duggerfuneralhome.com.

The family would like to invite all that cannot attend to watch the service live on Martin-Dugger Funeral Home website.

JACK EDWARD SMITH

Jack Smith lived in the Pearl Street house that his father purchased in 1932, and Jack passed away peacefully in his sleep there on October 7, 2023. A professional archaeologist, he served for 15 years as Chief of Research at Mesa Verde National Park. Previously, he lived in California and New Mexico,

andover the course of his life traveled extensively around the world. Jack was the son of George E. Smith and Leone E. Brierley Smith, both members of early Boulder families who came to Boulder to mine gold and coal. He attended Boulder High School and graduated from the University of Colorado with a History major in 1952. In 1953, he enlisted in the Army Corps of Engineers as a cartographer. Posted to the Presidio in San Francisco, he made maps and signs, and interpreted aerial photographs until his

discharge in 1955. He went on to earn a Ph.D. in Anthropology at the University of California in Los Angeles in 1965. During this time, he learned archaeology, ultimately supervising projects in California and the Great Basin, west Mexico, and western New Mexico, as a staff member of UCLA and then the Museum of New Mexico. On completing his graduate education, Jack was hired by the University of Colorado to teach a broad range of anthropology courses at the Denver campus, ranging from Southwestern archaeology to the ethnography of China. (In 1966, he received a Fulbright award to study Chinese culture in Taiwan). Over 15 years, Jack built the anthropology program at UCD. Most summers, he joined the University of Colorado research program at Mesa Verde National Park, serving as a field supervisor on multiple projects that both trained students and served Park Service management needs. In 1980, he shifted from academia to join the National Park Service full-time as Chief Archaeologist and Director of Research at the park. He retired in 1994 and

received the Department of Interior Meritorious Service Award for accomplishments in archaeology and preservation. Jack Smith contributed to many charitable organizations, especially nature conservation groups. In his retirement, he served as a board member for Historic Boulder and the Wright Paleohydrological Institute. While he was physically able, he volunteered with the Columbia Cemetery Conservation Corps. With deep local roots, Jack was an archaeologist and historian with worldwide interests. He was well-read and well-traveled, and he served as a teacher to many people, both in the classroom and field situations. This adventurous life was not conducive to family stability; by the age of 40, Jack was married three times. His wives were: Frances Louise Redman, Frances Conor, and Ann Noordenbos. The second half of his life saw a 47-year engagement to Susan Collins, his surviving common-law spouse. Jack is survived by two adult children, David Forsyth of Gardinerville, Nevada, and Caitlin Cunningham of Petaluma, California. There are five grandchildren. He was preceded in death by his parents and his brother, Dale **Shockey** of Wichita, Kansas. It was his desire to be buried with the simplest possible ritual. There will be no visitation, but a simple ceremony on the day of interment, to which all are welcome. The Reverend David Schwartz of the Unitarian Universalist Church of Boulder will officiate. Location, date, and time arrangements are pending through Greenwood & Myers Mortuary.

GAIL ROCHELLE FRIED

October 15, 2023, at age 71, very unexpectedly, after catching the flu. Gail was the daughter of the late Roy & Jo Ann Black. Gail graduated from Cleveland Heights High School in Cleveland Heights, OH, and attended Kent State University, in Kent, OH, where she met Bill. Gail

worked as a civilian for the Navy for 29 years in the United States, the Philippines, and Scotland.

Gail LOVED her family fiercely, and was a devoted mom, grandma, and wife. She was cherished by her family. She adored her precious rescue dog, Lily Belle, and her rescue granddog, Wiley. Gail loved people, all dogs, gorillas, trees, rainy days, swimming, make-up, chocolate milkshakes, going out to eat, playing board games, and vacationing with her family.

She enjoyed playing mahjong and cards with her friends in their neighborhood clubhouse, and regularly organized social events in her close knit community. She never met a stranger, and would, without hesitation, give the shirt off her back to someone in need. She continuously put others before herself. She loved making people happy, and hated seeing people she loved sad. She was honest, and always did the right thing. She saw the beauty in all situations, and noticed and celebrated the silver lining in the clouds. She was generous and kind, with a great sense of humor and a contagious laugh.

Per Gail's wishes, no public service is scheduled. In lieu of flowers, please make donations in Gail's honor to your local animal shelter.

NORTH EDWARD SHOCKEY

It is with great sadness that we announce the passing of North Edward (Ed) Shockey. Ed entered this life on April 11, 1947, in Martinsburg, WV, son of Giv and Margaret Shockey, and passed on August 18, 2023.

Ed graduated from Martinsburg High School in 1965, where he was the center of the Bulldog football team- #52. Ed was known for playing quite well against some defensive players who went on to enter the NFL. At Ed's 40th birthday party, he wore his football letter jacket, but not quite the way he did in high school. Ed graduated from Shepherd College in 1969 and began work at Pratt Whitney Aircraft in West Palm Beach, Florida.

In 1978 Ed and wife Marilyn moved their family to Trussville, Alabama where they ultimately made their home, and both joined Amerex Corporation. Ed led Amerex team in the IT and computer department, with wife Marilyn at his side. Ed was a member of the Lions Club and a past member of the Trussville Chamber of Commerce. Ed was President of the

girls' softball league and called many games thru the 1990s. Ed helped found the John LeMaster Foundation where he often was the "chef" at the annual hunt for the handicapped.

Ed and Marilyn traveled the world with Amerex, and retired to Lake Logan Martin but decided later that Trussville was "home." Ed and Marilyn sponsored OR13 of Payne Primary/Elementary School. After Marilyn's passing, Ed spent a bit more time with WV family, but again, Trussville was home.

Ed's family held a 75th birthday party last year for him, and it may have been one of the few surprises in his life. Ed's favorite pastime in later years was trying to beat the odds at cards and games. Ed was always a winner. Ed was the "go-to" Uncle and "Pop" and will be sorely missed by all.

Ed is survived by his sister Margie Bartles (Ron) and her family, and many Alabama cousins who were more like brothers and sisters.

Ed leaves behind his daughter, and beloved grandson. At home are also Ed and Marilyn's fur babies, Aubbie and Bama. Ed was greeted in heaven by the love of his life Marilyn Shockey, and his daughter Lara Shockey. Ed's WV Shockey Reunion family survives him and were privileged to see him on July 4th this year, just a month before his passing. Ed was the last-named Shockey son of the 7 Shockey brothers, whose heritage included the family farm in Shockeyville, Va.

The family held a remembrance ceremony on September 1, 2023, at Jefferson Memorial Funeral Home. Family received guests for a visitation.

BETTY ROCKHOLD

Betty Jean Rockhold was blessed with living 92 beautiful years on this earth before meeting her Heavenly Father on Sunday, November 5, 2023.

She was a small-town girl from Lineville, Iowa. On August 12, 1931, her parents, Bryan and Bessie (Nickel) **Shockey** happily brought her to their country home in Lineville. She was welcomed by her siblings, Violet, Carl, Velora and Leona. Her brothers, Billy and Bobby were born and that completed the Shockey family. Leona passed away before Billy was born and Bobby was with them just shy of two years.

When Betty was nine years old, her appendix burst and they thought they lost her. It was evident at this early age; Betty was a fighter as she was ready to tackle any storm. She spent her childhood helping her mother and father on the farm collecting eggs from chickens and helping her mom make clothing for her siblings. They were a tight group of kids who went to a country school named White Oak which was located in their community. The siblings and their cousins had to walk a mile or more (as we were told) "uphill" in the snow and back to school every day. She grew into a lovely young woman attending Lineville high school and working at the Street Car Café for extra spending money. She graduated in 1949 and worked at the bank her senior year.

After a few years of heavy chasing, she gave in to Jerry Dean Rockhold, Sr and took his hand in marriage on January 1, 1951 in Lineville, Iowa. Betty and Jerry planted their roots in Lineville and loved the community. On June 7, 1952, they welcomed their eldest son, Jerry Dean Rockhold, Jr into the world. Soon after that their middle son, Gregory Wayne Rockhold was born on December 4, 1953. As if two boys weren't enough excitement for them, they welcomed their youngest son, Douglas Lee Rockhold, on October 29, 1957.

The years passed and the boys grew into men. Throughout their childhood, Betty and Jerry lived in the river bottoms and then bought a farm north of town. In 1978, they built a home which happily welcomed their future generations.

Betty and Jerry were strong in their faith at the Lineville Assembly of God church. They served many positions within the church and prayed for many people along the way. They were viewed by friends and family as pillars of the community by representing family, faith, and friendship. They shared many close relationships such as those with the Judd family. Chester and Cecil Judd, along with their children were very close with them.

Betty worked as a home health aide, school aid, and continued to devote her life to her family and community. As she always stated, she was most happy when she had her grandchildren with her. Betty (and Jerry) took on the role in having a hand to raise the grandchildren. Her lessons to all will leave a legacy of love, laughter, and a spirit of faith which will live for a lifetime.

Betty will always be remembered as a true Superwoman. She was the person everyone called to inform of any issues and would take charge to pray for them to automatically take their fears away. Her passion for her children and grandchildren to be successful was inspiring and uplifting. It was nothing for the phone to ring during a family dinner. Betty would answer it and the cord extended past all of us over the rolls, green beans and mashed potatoes. She prepared many wonderful meals for her family, and many laughs were shared at the dinner table. She was always taking care of someone and expected nothing in return. The grandchildren remember her beating them at triominoes and her dedication to watching Wheel of Fortune.

Betty was preceded in death by her parents, siblings, her husband, Jerry, her son, Douglas, and grandson, Caleb.

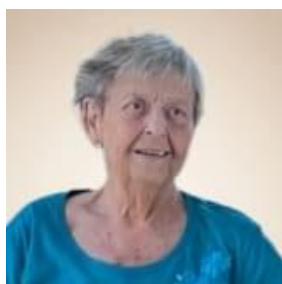

Betty is survived by her sons, Jerry Dean Jr (Lineville, IA) and Greg (Smithville, MO), Ex-wife (Carolyn). Grandchildren include: Lacey Rockhold (Brandon Douglas), April Rockhold (Johnson), Jeremy Johnson, Alexis Rockhold, and Chad Barker (Sherri). Great-grandchildren include: Malika Douglas, Boston Douglas, Charleigh Douglas, Zoey Johnson, Kane Barker (Hayley), Cayley Barker, Emily Sample, and Austin Nix. Great-great grandchildren include: Fayola Renee Jean White, Kyler and Mallory Barker. She is also survived by many lovely nieces, nephews, cousins, and friends.

The family extends a special thank you to those who were there for her caring until the end. Fruedenthal Hospice, Kristen Keely, Dana Sansone, Dennis Jones, Stephanie Beardsley, Erin Sivertson, Rachelle Bowland, Carla Smith, Barbara Munsell, Katie Johnson, Connie Johnson, Ashley Peterson, Cara Adams, Atheah Roberts, Kenedy Frederick, Darci Cornelius, Kimi Honeycutt, Danielle Capps, Catherine Fulton, Brandi Campbell, Felicia Morse, and many more who mean so much and are not meant to be forgotten. To all those who experienced her love, you are welcome. She never knew a stranger.

BILLY JOE WILLEFORD

Bill Willeford, 92 of Diana, Texas passed away peacefully on Thursday, February 22, 2024. Bill was born February 14, 1932, in Gilmer, Texas to Charlie and Dessie **Shockey** Willeford, who preceded him in death. Bill was also preceded in death by his wife, Bonnie Reed Willeford; daughter, Kathy Jo Willeford; wife, Christine Marler Willeford; son David Charles Willeford; brothers James Willeford and Leon Willeford and sisters Hulane Cargill and Linda Orms.

Bill graduated from New Diana High School in 1951. After graduation, he joined the United States Navy and proudly served his country on two different Destroyer's during the Korean War.

After completing his military service, he returned home to start his career and family. Bill worked at Trailmobile Corporation in Longview, Texas for many years as a foreman. He then worked at Lone Star Steel in Lone Star, Texas and later retired as a foreman from Trane Air Conditioning in Tyler, Texas.

Bill was a long-time member of Graceton Church of Christ in Gilmer. He was a devoted husband, loving father, grandfather and great-grandfather. He loved and adored all his children and grandchildren. Anyone who knew Bill knew he was one of the kindest men you would ever meet. He had a gentle presence and led by example in all that he did.

Bill is survived by his wife of 18 years, Bobbie Botter Willeford of Diana; daughter-in-law, Myrna Willeford of Colorado; Sons-Johnny Willeford and wife

Tammy of Ore City; Donald Willeford and wife Kim of Diana; Tony Rodgers and wife Kathy of Boerne, TX; Daughter Tami Carnes and husband Michael of Hallsville; stepson Buck Botter and wife Cherise of Longview. In addition, he is also survived by 15 grandchildren; Adam Willeford and wife Jenifer; Bonnie Pyle and husband David; Eric Willeford; Anna Hogan and husband Kolby; Seth Willeford and wife Lindsay; Hope Peters and husband Brandon; Zach Willeford and wife Amanda; Kreston Willeford and wife Amy; Drew Willeford and wife Taylor; Kira Boles and husband Ben; Megan Giordano and husband Justin; Matthew Rodgers and wife Madi; Carli Lott and husband Cody; Chloe Cooper and fiancé Jared Pirkle and Taylor Botter and wife Bayli. He is also survived by 28 great-grandchildren and numerous nieces, nephews and cousins.

Bill was a lifetime resident of the Stamps Community aside from his years in the Navy. He was born less than a mile from where he last resided. He was a die-hard New Diana Eagle fan who bled blue and gold. You could always find him on Friday nights at the football games sitting right in front of the press box cheering on his favorite team. He served on New Diana school board for 18 years in the late 1960s and early 1980s. He was a devoted fan not only of the New Diana Eagles where he and all his children graduated, but of whatever school his grandchildren attended. He would "reluctantly" take off his blue and gold cap to wear a purple Hallsville Ladycat or a red Harmony Eagle cap from time to time.

Some of Bill's favorite things included his family, traveling, watching the Dallas Cowboys and working outside in his yard. He was a natural handy man. When he was still able, you could always find him smoking his pipe and tinkering in his shed working on a new "project". He could fix or build anything,

including the last house that he lived in. Bill will always be remembered as a quiet man who could speak volumes without saying a word. He was well-loved and respected by all who knew him.

No one could have asked for a better husband, father or grandfather. He will truly be missed.

Services for Bill are under the direction of Croley Funeral Home in Diana, Texas.

Visitation will be held on Saturday, March 2, 2024 at Two O'clock in the afternoon at Graceton Church of Christ, 384 Lazy Daisy Lane, Gilmer, Texas 75645. A memorial will immediately follow at Three O'clock with Military Honors to follow.

His kids enjoyed taking walks with him while sharing stories over breakfast, watching mafia movies and cartoons, and his endless funny driving stories! DONA KAY SHOCKEY

DONA KAY (GALLES) SHOCKEY, "Moosie," 68, of Casper, Wyoming, passed away March 6, 2024, in Casper, Wyoming.

DONA was born in Casper, Wyoming, on April 13, 1955, to Donald and Anne Galles. She attended schools in Casper, graduating from Natrona County High School in 1973. She worked in various jobs, including KATI Radio and the Casper Journal. Later, she served in many volunteer positions and worked for the March of Dimes.

In her earlier years, Dona enjoyed sewing and became a master seamstress over the years. She made her own beautiful wedding dress, as well as dresses for Gayle Garner Walsh and daughter Amber Nurmi.

Plagued from eye disease from early childhood, Dona became less and less able to see the intricacies of sewing. She learned computer-design, machine embroidery, and for years created beautiful embroidery on clothing

and on high school sports wear.

Dona rarely turned down any requested volunteer assistance from elementary through high school years. She liked to say she was the official hugger for the younger kids after throat swabs or vaccines.

As her vision continued to change, Dona switched to kiln-fired glass artistry. She attended many years of glasswork national conferences in Las Vegas. Scores of friends enjoyed pendants as gifts, and many pendants and plates were donated to charitable functions. Dona also sharpened her casino skills there, though her achievement level at the slots lagged far behind the quality of her glasswork.

Along the way, Amber was born in 1974, Sean in 1980, Jeremy in 1982, and Kimby in 1985. Being the best mother possible was always Dona's first priority. Sean's death after only a few days left a life-long wound.

Dona grieved any story of the defenseless among us, from the unhoused, to the battered and beaten, to the victims and families of mass shootings.

Dona is survived by her husband, Gary Shockey, of Casper, Wyoming, Daughter Amber Nurmi of West Linn, Oregon, Son Jeremy Shockey of Portland, Oregon, and Daughter Kimberly Shockey of Casper, Wyoming. Five siblings survive, Thomas Galles, David Galles, Laura (Galles) Claunch, Karla (Galles) Dundas, and Jeff Galles, all of Casper, Wyoming. She has been blessed with four grandchildren, J.D. Nurmi, of Tucson, Arizona, Anna Nurmi and Esme Nurmi, of West Linn, Oregon, and Sonny Shockey, of

Portland, Oregon. Many nieces and nephews, as well as grand nieces and grand nephews, also survive. Dona was preceded in death by her father, Don Galles, and her mother, Anne Galles.

Memorial service will be held at Bustard's Funeral home in Casper on March 9, 2024, at 9:30 a.m. A viewing will be held the evening of March 8, 2024, from 5:30 p.m. to 7:00 p.m. Burial will follow at Highland Cemetery immediately following Saturday service.

After a brief graveside service, there will be a reception with buffet offerings at Occasions by Cory, shortly after noon.

Flowers would be appreciated; Dona's family suggests donations to Seton House, 333 E. H St., Casper, Wyoming, www.setonhousecasper.com.
